UNIVERSITY OF RAJASTHAN

ANNUAL REPORT FOR THE YEAR 1957-58

VICE-CHANCELLOR'S REVIEW

The University completed the eleventh year of its existence in July 1958. The Registrar's Report gives detailed information with regard to its working and the Principals' Reports on the various affiliated colleges complete the picture. In this review I propose to take a hurried glance on the past and venture to cast a prophetic glance on the future.

The part B State of Rajasthan was inaugurated on the 30th of March 1949. It was the outcome of the far sighted wisdom of that Bismarck of India's freedom, Sardar Vallabh Bhai Patel and the practical sagacity and genuine patriotism of the rulers of the main integrating States.

The Rajput Kingdoms of Mewar, Marwar and Amber date back to the 12th or 13th centuries, or even earlier. Although there was close kinship between the heads of different States, it was rarely that there was amity and accord between them. More often there was enmity and even treachery. It is this lack of unity in their own ranks which led to their subjugation first by the Moghuls and later by the British. The coming into existence of a unified Rajasthan as a single political and administrative unit was, therefore, a significant event, which was only possible under a free and democratic India.

Prior to the merger, this region comprised several princely States and their policies were dictated by the

to more than 3000 in 1956 when Government bifurcated it into an Arts & Science and a Commerce Colleges, each with an independent Principal and staff. Unfortunately both colleges are still located under the same roof. I am glad to learn that a site has been selected for the Commerce College and the foundation stone has been laid and I hope that Government will take early steps to complete the construction of the building.

The scheme for establishing a Rajputana University had been under consideration for a long time. Sir Arthur Lothian, writing in his "Kingdoms of Yesterday", says, that the Government of India threw cold water on this scheme, and told the various states interested in it to keep it in cold storage till the war was over. In spite of this, Sir Mirza Ismail, who became Prime Minister of Jaipur at this time, and whose recent demise all of us mourn deeply, continued to pursue the idea vigorously. Finding various difficulties in the way of an integrated University for the whole of this region, he tried at one stage to establish a University for the State of Jaipur alone. But before this scheme could fructify, he shifted the scene of his activities to Hyderabad. He was succeeded by Sir V. T. Krishnamachari as Prime Minister of Jaipur, and it is to the practical sagacity and great powers of organisation of Sir V. T. Krishnamachari that we owe the inception of the University of Rajputana two years in advance of the political integration of this region.

The University of Rajputana Act of 1946 incorporating this University thus gave expression to the common desire of all the States to assert their cultural unity and to foster its growth on autonomous lines. Great credit is due to His Highness Sawai Man Singhji of Jaipur who was the spear-head of this policy, but true to Rajput chivalry, offered the chancellorship to the late H. H. Maharana Bhupal Singh of Udaipur when the University was founded. In

1949 when the new State of Rajasthan was formed, the Maharaja of Jaipur was appointed Rajpramukh and ex-officio Chancellor of the University which office he held with great distinction till 1st November 1956 when with the redistribution of boundaries, Rajasthan became a Part A State with a Governor at the Head of the Administration. In recognition of the great services rendered by H. H. the Maharaja of Jaipur, the Senate conferred upon him the Degree of Doctor of Laws, *Honoris Causa*, at a Special Convocation held on 9th February 1957.

Since the foundation of the University twelve years ago, there has been tremendous increase in the number of High Schools, Intermediate and Degree Colleges, and Colleges teaching for the Master's Degree. Professional Colleges in Law, Medicine, Engineering, Agriculture and Veterinary Science, have witnessed an even more marked development.

From the very outset the University of Rajasthan had aimed at combining direct teaching under its own control, along with the affiliating functions of a regional University. Progress in this direction was disappointingly slow in the earlier years mainly through lack of financial resources. With the establishment of the University Grants Commission and the vigorous policy pursued by its distinguished Chairman, Dr. C. D. Deshmukh, the prospect has brightened considerably.

A University Department of Economics was started in Jaipur in 1949 on the basis of an annual grant of Rs. 30,000/- sanctioned by the old Jaipur Government and later guaranteed by the Rajasthan Government. In 1957 we were able to expand this Department with the provision for M.A. Degree in Public Administration and to provide adequate staff through the generous aid of the University Grants Commission.

The University of Rajasthan had been functioning as an administrative unit in rented premises. I am happy to report that construction work for the Administrative Block and the Academic Block was completed in July 1957 and we were able to shift to our new site. The University Library and students Hostel buildings are well advanced and will be ready for occupation with the new session. Plans for the Swimming Tank and Open Air Theatre etc., are well in hand and we hope to complete the whole project within the next year.

For the execution of all these works, we had a nucleus of about 20 lakhs generously bequeathed to us by the old Jaipur Government, and we have received generous grants from the University Grants Commission. When this project is completed, the University Campus will be not only a source of pride to the whole of Rajasthan, but also a very strong factor in forging the cultural and political unity of our State. But our own resources are now almost exhausted, and for the execution of future plans we shall have to look to the State or to private generosity to provide the matching grant for schemes approved by the University Grants Commission.

The entire structure of education in our country is in the melting pot. As a result of the findings of the Universities and the Secondary Education Commissions, and the decision of the Government of India to implement their major recommendations without further delay we in Rajasthan had to take very important and urgent decisions with regard to our educational set up. The Rajasthan Secondary Education Act was passed by the State Legislature in 1957. Under this Act, a Board of Secondary Education was set up and all High Schools and Intermediate colleges stood disaffiliated from the University and came automatically under the jurisdiction of the Board. The Government of Rajasthan was kind enough to ask me

to undertake the duties of the Chairman of the Board in addition to those of the Vice-Chancellor. This arrangement which was at first sanctioned for one year has been extended for a further term of one year. This dual responsibility while adding to my burdens has been helpful in bringing about a smooth transition and in adjusting staff and financial obligations between the two agencies. Government has been good enough to sanction an additional recurring grant of Rs. 5 lakhs to the University for loss of income consequent upon the transfer of the Matriculation and Intermediate examinations to the Board.

The University had agreed to introduce the new Three-Year Degree Course with effect from the beginning of the Session of 1959. Under pressure from Government we agreed to introduce the course one year earlier, so as to absorb the first batch of candidates who had passed the Higher Secondary Examination of 1958. All this has involved very heavy labour on the part of the Committee of Courses appointed for this purpose and on the Registrar and his staff. I would like to express my thanks and my sincere appreciation for the efficiency and dispatch with which this work has been carried out. That much of this had to be done during my absence in Ceylon for a period of four months, enhances the credit of others.

These organisational changes have created several new problems both for the State as well as the University. In the first place the financial implications of the scheme when fully implemented will be of staggering proportions and the Centre and the State will have to find much ampler funds for education than they have been accustomed to do in the past, particularly when the Constitutional objective of providing free and compulsory education for all up to the age of 11 is kept in view. But while the first priority is to be given to this objective, this must not be at the cost of Secondary or University education. In fact

the spread of primary education will itself require both expansion as well as improvement of the higher stages of education.

Secondly the switch over from the Ten-Year High School to the Eleven-Year Higher Secondary will have to be a slow process both on account of limitations of financial resources as well as the shortage of properly equipped teachers. It will be disastrous if in our zeal to keep pace with others we sacrifice quality to quantity. Already there have been dangerous symptoms of this kind. It will be a tragedy if at the end of the Eleven-Year Secondary Course, we send to the University material which is no better equipped than what used to be produced by the old Ten-Year Matriculation Course. If these precautions are kept in view it will mean that for a long time to come the majority of our High Schools will have to continue as Ten-Year units. Their product will have to be put through a Pre-University Course, and it will not be easy to devise this course and to supervise it properly. This problem must therefore engage the immediate attention of both Government and University authorities.

Lastly we must not forget that the whole purpose of the scheme of reorganisation of Secondary and University Education is the improvement of standards. That standards have continued to deteriorate during recent years has not only been proclaimed by the highest authorities competent to pronounce on this subject, such as the University Grants Commission and the Union Public Service Commission, but is intimately known to all in the teaching profession and those who have to recruit educated persons for employment. What are the steps which must be taken to stop this deterioration? First is the supreme necessity of adequate equipment and properly qualified staff for the various stages of higher education. Secondly there must be far more careful selection of those proceed-

ing for higher education after the primary stage. Not all who have the minimum qualification for admission are fit to profit by a further period of instruction on purely academic lines. For the vast majority alternative courses in vocational and industrial training will have to be found.

Confining my attention to the problem of selection and improvement of standards to the University alone, it is the general feeling that there is not much hope so far as the first Degree is concerned and we must therefore concentrate our effort on Post-Graduate education. At this stage at any rate we must ensure that those admitted are well equipped for post-graduate work and once admitted provide for them teachers of the right calibre, equipment and library resources comparable with those in the most advanced countries, and conditions of work and living conducive to bring out the best of which they are capable.

Our resources in these directions are too limited to create these conditions in half a dozen separate centres. It is only by pooling our resources that we can hope to achieve anything worth-while. It is under the imperative demand placed upon us by the above considerations that the University of Rajasthan in full consultation with the Government of the State has prepared the plans and programme for further development of Post-Graduate teaching. The essence of these plans is, that Post-Graduate teaching specially in the Science subjects should be centralised under University control, although not necessarily at Jaipur. We do not propose to tackle Post-Graduate teaching in the Arts and Commerce Faculties, except in a few special subjects. But the proposal now pending before the Grants Commission is, that University Departments for Post-Graduate teaching in the major Sciences be located at one centre only, and that these centres be distributed between Jaipur, Jodhpur and Ajmer in accordance with

the suitability of each for the special science or group of Science or group of sciences to be located there.

The idea that such a scheme will lower the status of certain colleges or react adversely to the claims of residents of the State in certain areas, are to my mind altogether misconceived. The mere fact that a certain college is conducting M.Sc. teaching in a certain subject, but can find neither teachers who are fit to do such work, nor provide equipment suitable for this purpose, nor admit any but third-class graduates to these classes, whom it sends out as Third class M. Sc's not fit for any kind of employment, does not bring it credit, but only discredit. On the other hand, if certain Post-Graduate University Departments are located in a certain centre and the standard of teaching and research up-graded, this will add to the credit of the State and to the employment prospects of our students. There is nothing to prevent college teachers with requisite qualifications from being associated with University teaching. No one's pay or prospects will be affected, and the provision of scholarships and stipends will mitigate any hardship which may be entailed on deserving scholars to study away from homes.

The University is the nursery of the future leaders of our democracy. In order to discharge this function, it must receive human material suitably prepared and judiciously selected, to reap the full benefits of a liberal and humane education. In order to bring out the best out of those who enter its portals, it must have adequate financial means to provide for well qualified teachers, apparatus and equipment, to nurse their young talents. But above all it must attract to its service, scholars, scientists, teachers and administrators, who believe in the mission of the University as an elevating force in human affairs, and who are prepared to dedicate their lives to this mission.

Vice-Chancellor.

ANNUAL REPORT FOR THE YEAR 1957-58

SECTION I

REPORTS OF THE DEANS OF THE FACULTIES

FACULTY OF ARTS

During the year under review (1st July, 1957 to 30th June, 1958) the meeting of the Faculty was held on 19th December, 1957, under the Chairmanship of Dr. M. L. Sharma, Dean of the Faculty. The following were some of the notable decisions taken by the Faculty at its afore-said meeting:—

1. Necessary steps be taken by the University to organise 'Refresher Courses in the Various Subjects'.
2. The University may recognise the Prabhakar (Hindi) Examination conducted by the Central Board of Secondary Education, Ajmer for purpose of appearing in English only at its B. A. Examination.
3. A Second class M.A. in Anthropology may be deemed qualified to teach such papers of Sociology as he has studied at the M.A. level; and a note to this effect be given in Ordinance 65 of the University Hand Book Part II.
4. Diploma in Painting of the following Institutions may be recognised for the purpose of minimum qualifications of teachers of Drawing & Painting

for degree classes as given under 0.65 of the University Hand Book Part II.

1. Sir J. J. School of Arts, Bombay.
 2. Govt. College of Arts, Calcutta.
 3. Govt. School of Arts, Madras.
 4. Govt. School of Arts, Lahore.
 5. Govt. School of Arts, Lucknow.
 6. Vishwa Bhartiya University, Shanti Niketan.
 7. School of Arts & Crafts, Jaipur.
5. A Committee of Courses consisting of two teachers from the University Department of Economics and Public Administration, one Post-graduate teacher representative of the Board of Studies of Economics and two Experts from out side the University be constituted and the Courses of Study for the M.A. (Prev.) Examination of 1959 and M.A. (Final) examination of 1960 in the subject of Public Administration as recommended by an Adhoc Committee at its meeting held on 11th November, 1957, be approved.
 6. The courses of Study and Text Books for the B A. Examination of 1960 & M.A. (Prev.) & (Final) Examinations of 1959/1960 in the various subjects of the Faculty recommended by the Boards of Studies/Committees of Courses concerned were approved with certain modifications. Changes worth mentioning are as follows: —
 - (i) Instead of four compulsory and four optional papers here-to-fore offered for M.A. in Economics, a candidate will now be required to offer six compulsory and two optional papers. Viva-voce which is to be compulsory will be conducted after completion of

written papers for the M.A. Final Examination; out of 100 marks for Viva-voce, 80 marks shall be equally assigned for Oral questions concerning the 8 compulsory and optional papers offered by the student and 20 marks for other questions at the discretion of Examiners. The Viva-voce Board shall consist of two persons-one External Examiner and Head of the Department concerned for each examinee.

- (ii) An optional paper on Field Work is to be introduced for the M.A. Final Examination of 1960. Field work shall be carried out on any topic of Sociological interest and shall be related to the papers of Specialisation. It shall be duly checked from time to time by the Head of the Department. The report of the Field Work will be submitted at least six weeks before the commencement of the Final Exam. 20% marks will be allotted for viva-voce; the reports shall be examined by a Board of two examiners of whom at least one will be an external examiner, who will also conduct Viva-voce. Private students will not be allowed to offer Field-Work.

During the year under review 28 candidates applied for permission to do Research work for the Ph. D. Degree of the University and only 14 of them were permitted to supplicate. 4 candidates were awarded the degree of Ph. D.

M. L. SHARMA,
Dean, Faculty of Arts.

FACULTY OF SCIENCE.

During the year under review (1st July, 1957 to 30th June, 1958) a meeting of the Faculty was held on the 18th December, 1957, under the Chairmanship of Dr. S. M. Mitra (Principal, Birla College, Pilani) Dean of the Faculty.

Dr. S. P. Kaushik, Principal, M. S. J. College, Bharatpur was unanimously appointed on the Board of Studies in Maths. for the residue of the term of Dr. G. C. Patni (ceased).

It was decided that the minimum attendance to be put in by a student in Faculty of Science for Examinations in Agriculture shall be 85% both [(a) at the lectures and (b) at the Practicals] separately in each subject.

N.B.:-The Academic Council modified this recommendation so that the minimum attendance to be put in separately in each subject for examinations in Agriculture shall be 75% at the lectures and 85% at the Practicals.

It was recommended to the Academic Council that affiliated Colleges be required to introduce intensive tutorial classes and provision be made for proper assessment of the tutorial work.

The Academic Council was recommended that a student failing at the M.Sc. Examination (either because of the thesis or because of any other paper) be not allowed to offer thesis while appearing next time, but instead he should offer an alternate paper under the Scheme. It was also proposed that students securing less than 55% marks at their M.Sc. (Prev.) examination be not permitted to offer thesis for their M.Sc. Final Examination in Botany, Chemistry, Zoology and Geology.

N.B.:-The Academic Council, however, postponed consideration of the above pending receipt of the views of the Faculties of Arts and Education in this behalf.

The Courses of Study for the Examinations of 1960 in the Faculty as recommended by the Boards of Studies concerned were approved.

The total number of Colleges in the Faculty of Science affiliated to the University was 15. Of these 8 were affiliated up to the B.Sc. standard and 7 up to post-graduate standard.

During the year under review 25 candidates applied for permission to do research work for the Ph.D. Degree of the University and only 18 of them were permitted to supplicate. 2 candidates were awarded the degree of Ph.D.

S. M. MITRA,
Dean, Faculty of Science,

FACULTY OF COMMERCE.

During the year under review a meeting of the Faculty took place under the Chairmanship of the Dean (Shri C. B. Gupta, Principal, Seth G. B. Podar College, Nawalgarh) on the 17th December, 1957.

The courses of study and text books for the various examinations in the Faculty for 1959-60 as recommended by the Boards of Studies were approved. On the recommendation of the Board of Studies in Commerce (Theory), it was agreed that for the M.Com. Examination of 1959, a detailed study of the three Industries viz., Sugar, Coal and Leather, be prescribed under Paper IV—Major Industries of India.

A proposal was made by the Board of Studies in Commerce (Theory) that a candidate who obtains at least 55% marks at the M.Com. (Previous) Examination be permitted to offer thesis carrying 100 marks in lieu of one paper. The subject of the thesis will have to be approved by the Head of the Department and in the case of private candidates by the Convener. The Faculty referred back the proposal to the Board for elaborating it and giving a scheme in fuller details. It was also desired by the Faculty that the other two Boards viz., Boards of Study in Commerce Practice and Allied subjects might also examine the proposal and express their views.

The Committee appointed last time by the Faculty to go into the question of recommending non-recurring grants for providing minimum equipment and requirements for the teaching of various subject to Commerce classes in the affiliated Colleges had since formulated its report which was considered and adopted by the Faculty with certain modifications. According to the recommendations approved in this behalf every College affiliated in the

Faculty will have to spend minimum prescribed grants (both non-recurring and recurring) for the Library and provide for Office Appliances, Mechanical Aids, Teaching Aids and Economic and Commercial Geography, necessary amount for annual tours to Commercial and Industrial Centres particularly for the M.Com. students etc. etc.

During the year under review, 5 candidates were registered for doing research work and 2 were awarded the Ph.D. Degree.

The total number of colleges affiliated to the University examinations in the Faculty was 17 and the total number of candidates appeared at these examinations of 1958 together with their results are given below :—

Name of Examination.	No. of candidates appeared.	No of candidates passed.	Percentage of passes.
B. Com. (Prev).	1014	473	46.6
B. Com. (Final).	526	335	63.6
B. Com. Pt. II.	80	42	52.5
M. Com. Prev).	188	163	86.7
M. Com. (Final).	115	93	78.5

C. B. GUPTA,
Dean, Faculty of Commerce.

FACULTY OF ENGINEERING AND TECHNOLOGY.

During the year under review (i.e. from 1st July 1957 to 30th June 1958), the Faculty met twice on 31st August and 18th December, 1957 under the Chairmanship of Shri V. Lakshminarayanan, Principal, Birla College of Engineering, Pilani as no new Dean was appointed after the expiry of the term of the Ex-Dean Shri V. G. Garde.

The following are some of the important decisions taken by the Faculty :—

1. The Board of Studies in Engineering was constituted for a fresh term of 3 years under the provisions of Section 24-E of the University Act.
2. Consequent on the introduction of the Higher Secondary Examination (at the end of the XI year) in Rajasthan, which has now to be the qualifying examination for entering upon the B.E. courses, it was decided on the recommendations made by the Board of Studies in Engineering that the Engineering Degree course be henceforth of 5 years duration (instead of 4 years) and the candidates passing the Higher Secondary Examination of the Rajasthan Board of Secondary Education or an equivalent thereto, with Physics, Chemistry, Mathematics and English, be admitted to the First year of the 5-year Engg. Degree course. The candidates seeking admission to Engg. colleges after passing the Intermediate in Science Examination be admitted to the Second year of the Five-year Degree Course in Engineering.
3. Such candidates as have passed the First year Examination of the Five-year Engineering Degree course be considered eligible for admission to the Second year of the 3-year Degree course in the Faculty of Science.

4. Ordinances, Regulations, Courses of Study and Textbooks etc. as recommended by the Board of Studies in Engineering at its meeting held on the 17th December 1957, in regard to the revised Engg. Course were approved.
5. Courses of Study for the M.E. (Electronics) and M.Sc. (Tech.) (Electronics) (Qualifying Examination of 1959 and Final of 1960) were recommended.
6. Academic Dress for M.E. (Electronics) and M.Sc. (Technology Electronics) was recommended as follows :—

A black gown and orange hood with green stripe in the middle of the hood; and an orange safa with band or bare-headed.

The results of the Engineering Examinations held in April, 1958 were as follows :—

Examinations.	As a whole (including regular students).		
	No. of candidates appeared.	No. of candidates passed.	Percentage of passes.
1. Qualifying M.E./M.Sc. (Electronics).	7	4	57.0
2. B.E. (Mech. Branch).	3	3	100.0

V. LAKSHMINARAYANAN,
Dean, Faculty of Engg. & Tech.

FACULTY OF MEDICINE, PHARMACEUTICS & VETERINARY SCIENCE.

During the year under review the Faculty met twice, on 31st August, 1957 and 30th January 1958, under the Chairmanship of Lt. Col. A. C. Aggarwala, Dean.

The following are some of the important decisions taken by the Faculty :—

1. Board of Studies in Medicine, Committee of Courses in Pharmacy and the Committee of Courses in Veterinary Science were constituted for a fresh term of 3 years under provisions of Sec. 24-E of the University Act.
2. The courses of study in Medicine for the First, Second & Final M. B., B. S. Examinations of 1960, 1962 & 1963 respectively, and the Ordinances and Regulations pertaining to the Post-graduate Studies in Medicine were approved after considering the recommendations of the Board of Studies in Medicine in that behalf.
3. Rules relating to the examination for the Ph. D. and D. Sc. degrees in Medicine were approved as recommended by a Sub-Committee appointed for the purpose and as endorsed by the Board of Studies in Medicine.
4. Pooled marks of the terminal examination in theory papers to be held by the college about two months before the University Examination shall be included in those of the University examinations to the extent of 10 per cent in theory portion. A note to this effect be given under Regulations 25, 26 and 28 of the Schemes of M. B. B. S. Examination.
5. The courses of study in Pharmacy (I. Pharm. and B. Pharm.) to be taught with effect from July

FACULTY OF LAW.

During the year under review (i. e. from 1st July, 1957 to 30th June, 1958), the Faculty met twice—on the 31st August and 20th December, 1957, under the Chairmanship of the retired Dean, Shri M. L. Sawney as no new Dean of the Faculty was appointed.

The Board of Studies in Law was constituted for a fresh term of three years at the first meeting of the Faculty held in August; while at the second meeting held in December, 1957 decisions were taken in regard to the Courses of Study and Text books for the various examinations of 1959 and 1960 in the Faculty as recommended by the Board of Studies in Law.

On the recommendations of a Committee appointed for the purpose as approved by the Board of Studies in Law, the list of leading cases prescribed for the LL.B. (Previous) & LL.B. (Final) examinations was thoroughly revised.

The total number of colleges imparting instruction in Law remained the same as in the past year i.e. 6. The results of the Law examinations held in April, 1958 were as follows:—

Name of examination.	No. of candidates appeared.	No. passed.	Percentage of passes.
LL.B. (Previous)	761	241	31.6
LL.B. (Final)	270	157	58.0
LL.M. (Part I)	9	1	11.1
LL.M. (Part II)	17	4	23.5
LL.B. (Final-Agra Scheme)	44	36	81.8

K. K. CHATURVEDI,
Dean, Faculty of Education.

SECTION II

REGISTRAR'S REPORT FOR THE YEAR 1957-1958.

INTRODUCTORY AND GENERAL.

1. The year (July 1, 1957 to June 30, 1958) under review was the 11th. academic year of the working of the University. While detailed information with regard to the progress of the University under various heads follows in this section, the overall picture of the progress of the University with regard to the number of affiliated colleges and the total number of examinees is as follows :—

	1947	1956	1958
Number of Post-graduate colleges (having Degree classes also).	6	9	17
Number of Degree colleges (having Degree classes).	5	6	24
Number of candidates appeared at the Post-graduate Examinations.	859	2422	3249
Number of candidates appeared at the Degree Examination.	832	4725	5170

2. With the setting up of the Board of Secondary Education in Rajasthan by the State Government with effect from July 1957, the control of High School and Intermediate Education was transferred from the University to the said Board and all the institutions imparting High School and Intermediate Education, here-to-fore affiliated to the University stood dis-affiliated from the said date and were ipsofacto recognised by the Board of Secondary Education which started conducting High School and Intermediate Examinations with effect from

the examinations of 1958. Though academically quite sound, the transfer of the High School and Intermediate Examination from the University has put it to a recurring loss of income to the tune of about Rs. Five Lacs per annum. The Senate, therefore, felt gravely concerned when it passed the Budget Estimates for the year 1958-59 and resolved that the State Government be earnestly requested to make provision in the Education Budget of the State for the year 1958-59 to compensate the University for this loss, so that the University may not be faced with a financial crisis resulting in a set back to higher education in the State. It is a matter of satisfaction that the State Government sympathetically considered the request and gave a compensatory block grant of Rs. Five Lacs to the University for the year 1958-59.

3. The construction of the Administrative and the Teaching Blocks having almost been completed, the University Office, Library and Teaching Departments (including the Law College) here-to-fore located in Kaisargarh, a rented building shifted to the newly constructed buildings in the University campus (Gandhinagar) in the month of August, 1957.

4. Shri G. C. Chatterji and Shri K. L. Varma continued to be the Vice-Chancellor and the Registrar, respectively of the University. Shri G. C. Chatterji, Vice-Chancellor was appointed by the Government of Rajasthan to serve also as Honorary Chairman of the Board of Secondary Education. Shri R. K. Agarwal, the Deputy Registrar of the University whose services were requisitioned by the State Government to serve as the Secretary of the Board was granted leave (without pay) for a year from the University to take up the assignment. Consequently Shri C. L. Singhal, the Assistant Registrar was appointed to officiate as Deputy Registrar and Shri K. P. Govil (Superintendent General) as Assistant Registrar.

5, At the request of the Ministry of External Affairs, Government of India, the Chancellor was pleased to allow Prof. G. C. Chatterji, the Vice-Chancellor of the University to be a member of the University Commission appointed by the Government of Ceylon. During the period of Prof. Chatterji's absence from the Headquarters (6th March, 1958 to 15th July 1958), Shri K. L. Varma, Registrar performed the duties of the Vice-Chancellor in addition to his own.

6. With the introduction of the subject of "Economic and Public Administration" for the Post-Graduate classes in the Department of Economics, the name of the Department was changed to "Department of Economics and Public Administration and Prof. M. V. Mathur was designated as Professor of Economics and Head of the Department of Economic and Public Administration." Prof. Mathur was appointed by the State Government to serve as member on the Committee for evaluating the achievements in the field of education during the First Five Year Plan. Two lecturers in Public Administration namely Shri K. Vishwanathiah and Shri D. D. Narula were added to the teaching staff of the University Department of Economics and Public Administration. Both these posts (under the Head 'Humanities') were sanctioned by the University Grants Commission under the Development Scheme of the University Teaching Departments.

7. Dr. P. T. Raju, Professor and Head of the University Department of Philosophy, Jodhpur, was honoured by the President of India with the title of 'Padm Vibhushana' on the Republic Day. Since the problem of providing extra accommodation for the proposed Experimental Psychology classes and its laboratory could not be solved, the scheme for the introduction of the subject in the University Department of Philosophy at Jodhpur sanctioned by the University Grants Commission under

the Development Schemes for the Second Five Year Plan had to be postponed.

8. His Highness Maharao Bhim Singhji of Kota very kindly agreed to extend the period of donation, circumstances permitting, of Rs. 15000/- annually for a further period of five years towards the maintenance of the University Department of History at Jaipur. Dr. M. L. Sharma, Professor and Head of the Department attained the age of superannuation on June 30, 1958. The Syndicate, however, decided to give an extension to Dr. Sharma for one year. Dr. Sharma was nominated by the University to serve also as a member on its behalf on the Indian Historical Records Commission for a term of five years. As had already been decided, the University took over the post-graduate classes in History at Jaipur with effect from July 1957 and consequently one Reader, Dr. V. P. S. Raghuvanshi and one Lecturer, Shri J. N. Asopa were appointed in the Department.

9. The post-graduate teaching in Geology also was handed over to the University by the Government of Rajasthan and the University Department of Geology (located in the buildings of the M. B. College, Udaipur) started M.Sc. classes in Geology with effect from July 1957. This was done with the concurrence of the University Grants Commission and the Rajasthan Government which have since accorded sanction to the following proposals submitted to them by the University :—

<i>Non-recurring.</i>	<i>Total approved cost.</i>	<i>U.G.C.'s share.</i>	<i>Raj. Govt.'s share.</i>
	<i>Rs.</i>	<i>Rs.</i>	<i>Rs.</i>
(a) Laboratory Buildings.	4,17,750	2,78,500	1,39,250
(b) Scientific apparatus & Equipment.	1,20,000	80,000	40,000
(c) Workshop Equipment.	25,000	16,667	8,333
(d) Library Books & Journals.	50,000	50,000	—
	<u>6,12,750</u>	<u>4,25,167</u>	<u>1,87,583</u>

<i>Recurring (for the period 1957-1961).</i>	<i>Total approved cost.</i>	<i>U.G.C.'s share.</i>	<i>Raj.Govt.'s share.</i>
Additional Staff (including one Reader, two Lecturers and one Workshop Mechanic).	Rs. 75,000	Rs. 37,500	Rs. —

Shri E. Venkayya and Shri M. K. Pandya have since been appointed as lecturers in the Department and steps have been taken to fill up the post of a Reader and one Workshop Mechanic.

10. The obvious gaps in the structure of higher education in Rajasthan have been filled up by starting :—

1. M. S. (Master of Surgery) Courses in Gynaecology and Obstetrics.
2. B. A. in Music.
3. B. A. in Home Science.

The University accepted a proposal from the Ministry of Scientific Research and Cultural Affairs, Government of India duly supported by the State Government for granting affiliation to the Birla College of Engineering, Pilani, in the Civil Engineering branch (B.E.) and to the M.B.M. Engineering College, Jodhpur, in the Electrical and Mechanical branches (B.E.) with effect from the next academic session viz. 1958-59. All financial liabilities in the matter of introducing the study of these branches in the aforesaid two colleges were to be borne by the Central and the State Governments. The proposal was put forward in pursuance of the Ghosh-Chandrakant Report submitted to the Government of India which suggested measures to cope with the increasing demands of Engineering personnel in the country.

11. The University had already decided to switch over to the Three-Year Degree Course in the Faculties of Arts, Science and Commerce with effect from the session

1959-60. The reports of the Sub-Committees appointed for the purpose of giving schemes of examinations were still under the consideration of the appropriate University bodies when the State Government requested the University to revise its decision and introduce the Three-Year Degree Course with effect from the session 1958-59 instead of 1959-60 in 13 colleges selected by the Government for the purpose, so that the candidates passing the Higher Secondary Examination of the Rajasthan Board of Secondary Education in 1958 be admitted to the Three-Year integrated Degree Course.

The Vice-Chancellor called a meeting of the University Education Reorganisation Committee and placed before it the request of the State Government contained in the Report of the Government Educational Advisory Board's Committee. The University Education Reorganisation Committee held that the Pre-University Examination contemplated to be conducted by the Board of Secondary Education should be conducted by the University and the Three-Year Degree Course be introduced from July 1959. A General Committee consisting of 14 members was appointed to meet as soon as possible and give definite scheme of examinations for the Three-Year Degree Course to be placed direct before the Academic Council. Accordingly, the General Committee met in February, 1958, and after considering the recommendations already made in this behalf by the Faculties of Arts, Science and Commerce thrashed out schemes of examinations for the Pre-University and the Three-Year Degree Courses. The Academic Council met on February 25, and the Syndicate on February 27, 1958 and approved of the recommendations of the General Committee. As the State Government continued to press its request for starting the Three-Year Degree Course with effect from July 1958, the Committee authorised the Vice-Chancellor to take such

steps ^{under} in his emergency powers as deemed necessary in case it was ultimately decided to start the courses with effect from July 1958.

The Chief Minister, Rajasthan, convened a Meeting of the Government and the University representatives in May, 1958, and further pressed the exigency for adopting the new pattern from July 1958 in the interest of the students passing the Higher Secondary Examination of the Board of Secondary Education Rajasthan, 1958. In order to accommodate the view point of Government, it was finally agreed to by the University that some provision be made in the new set up for admission of these students to the first year of the Three-year Degree Course, during the session 1958-59 in some of the Government affiliated colleges. Thus the First year classes in the Three-Year Degree Course (Arts, Science and Commerce) were permitted to be started in 13 Government colleges selected for the purpose by the Government, subject to the conditions:—

- (i) The admissions to the present first year of the Intermediate class shall continue this year and no college will be compelled to switch over from July, 1958.
- (ii) Necessary facilities with regard to the Staff, Equipment, Library, etc. etc. are provided by the Government of Rajasthan on or before 1st July 1958 for running the first year of the Three Year Degree Course in Government colleges approved by Government, detailed information about which should be in hands of the University authorities not later than 1st July, 1958.
- (iii) All other recommendations of the University as communicated to the Government are given effect to from 1959.

The meeting of the Boards of Studies concerned were also called in May, 1958, to lay down necessary syllabi

under the scheme of examinations already approved of by the Syndicate and the Courses of Study for the First Year Examination of 1959 (Three-Year Degree Course) as recommended by the Boards of Studies were adopted by the Vice-Chancellor under his emergency powers for students passing the Higher Secondary Examination of the Rajasthan Board. The Three-Year Degree Course in all other affiliated Colleges of the University is expected to be introduced with effect from July, 1959.

12. The Vice-Chancellor appointed a committee consisting of Prof. M. V. Mathur, the Deans of the Faculties of Arts, Science and Commerce and some of the Senior Principals of affiliated colleges to suggest measures to improve the efficiency of teaching & tutorial work in colleges. The committee met under the Chairmanship of the Vice-Chancellor and its recommendations were approved by the Academic Council and the Syndicate. The Committee recommended to request the State Government to provide adequate necessary facilities i. e. accommodation and library facilities etc. in colleges and to enjoin upon lecturers to stay for at least 4 hours in the college premises (including the periods allotted to them for teaching) so as to enable them to increase their contacts with the students and also give them more guidance. The Government was requested to reduce also the number of gazetted holidays to be observed in the educational institutions. With a view to ensure that at least 200 working days were provided in the colleges, the arrangement of terms was suitably revised. It was decided that Principals should also take classes not exceeding nine periods per week. The minimum number of periods per week, per paper for teaching of degree and post-graduate classes also were laid down.

13. A meeting of the University Grants Commission was held at the University Office on February 8 and 9

1958. The Chairman of the Commission, Dr. C. D. Deshmukh was kind enough to accede to the request of the Vice-Chancellor to perform the Foundation-Stone Laying Ceremony of the University Hostel (for Boys) in the afternoon of the 8th February. The Chancellor, Shri Gurumukh Nihalsingh, Governor of Rajasthan, presided over the function which was attended by the Chief Minister, other Government Officials and elite of the town. The construction of the double-storeyed Hostel Building in the University campus has already commenced and it is expected to be completed by the end of March, 1959. It is designed to accommodate 100 hostellers. The University Grants Commission have sanctioned a grant of Rs. 2,50,000/- towards the construction of the hostel. In the meanwhile the Syndicate authorised the Vice Chancellor to have temporary arrangements for lodging some of the very needy students of the Teaching Departments in rented buildings located in decent and healthy surroundings and to give a suitable amount of subsidy on behalf of the University.

14. The University allowed the option of answering questions in Hindi at its B. Ed. Examination with effect from the examination of 1958.

15. With the introduction of the post-graduate courses in the subjects of Sociology and Geography, the Boards of Studies in these subjects were constituted in accordance with the provisions of the University Act. Here-to-fore only Committees of Courses in the Subjects had been functioning.

16. With a view to having a separate Head of Department in the three main branches of Commerce, it was decided on the recommendation of the Faculty and the Academic Council that every degree and post-graduate college teaching subjects of study included in the Faculty of Commerce shall provide three Heads of Departments

(a) one in Commerce, (b) one in Accountancy and (c) one in Applied Economics in the scale of pay for the Heads of Degree and Post-graduate Departments, as the case may be.

17. The University decided that the students belonging to the Scheduled Castes, Scheduled Tribes and Backward classes in the University Teaching Departments be exempted from payment of tuition fees.

18. The University deputed teams to participate in the Inter-University Tournaments during the year 1957-58 in the following games and places noted against each:

1. Volley-ball	Jaipur
2. Foot-ball	Bareilly
3. Athletics	Poona
4. Badminton	Banaras

The University organised the Inter-University Tournaments in Volley-ball at Jaipur. Eleven teams from the various Universities participated in the Tournaments. A sum of Rs. 2,000/- was provided in the University Budget for the purpose.

The University also organised Coaching Camps in the games of Basket-ball and Hockey under the auspices of the Ministry of Education, Government of India, which had deputed Major Dhyanchand and Shri Bhagwan Singh as Chief Coaches in Hockey and Basket-ball, respectively.

19. It was decided that a provision of Rs. 1,00,000/- be made in the University budget, out of which loans could be advanced to the University employees for building their own houses. Rules were framed for the purpose. Similarly provision also was made to advance sums for purchase of a conveyance by the members of the staff in accordance with the rules approved for the purpose by the Syndicate. The members of the University Office staff undertook a tour to Bhakra-Nagpal Project and other places

of interest and the University granted a subsidy of Rs. 5/- per head for the same.

20. The Syndicate decided that to ensure safe and expeditious transit of answer-books from and to the Railway station and the University office, of cash to the Bank and serve as a means of transport, if possible, of women students of the Teaching departments at Jaipur and Members of University Bodies, a Station-wagon with a diesel engine be purchased.

21. The University did not participate in the 4th Inter-University Youth Festival held by the Ministry of Education, Government of India, New Delhi, as it could not select its teams by holding its own Inter-Collegiate Youth Festival scheduled to be held in August 1957 at Jaipur on account of the students agitation against enhancement of fees during that period. However, two student-participants with one Contingent-in-charge were deputed on behalf of the University to participate in the item of 'Symposium' at the Inter-University Festival at Delhi.

22. Under the Youth Welfare Programme of the Ministry of Education, Government of India, the University received a sum of Rs. 15,645/-, distributed as under, from the Ministry for purposes of Campus Works Projects, Labour and Social Service Camps and Tours and Hikes :-

12. BUILDINGS.

The University office was shifted from Kaisergarh, rented buildings to the newly constructed Administrative office building on 1st August, 1957. The construction of this building has since been practically completed and it has also been furnished with new furniture.

The construction of the compound wall has been resumed from April 1958 and it is expected to be completed by the end of March 1959.

The Academic Block also was occupied from 1st August, 1957, and it has since been completed.

The second bore has been sunk and arrangements are being made for installation of a pump over it. The bore would begin to function as soon as a pump is erected. Investigations are being made for a suitable site for sinking one more bore on the north side.

The progress on the Library Buildings has advanced to the first floor. Though the steel situation is still unsatis-

factory it is expected that the whole building will be completed by March, 1959. The administrative and technical wings including basement and one stack are fully ready and the Library, which is accommodated at present in a portion of the Academic block is proposed to be shifted in 1958 to the ready portions of the new building after rains.

Approach roads with premix asphalt carpet on them have been laid to the Administrative and Academic Blocks, car and cycle sheds and the areas surrounding them have been levelled and lawns and flower beds etc. are being laid around them.

The construction of Hostel Building has been taken in hand from April 1958 and the work is progressing. The building including the approach road etc. is expected to be completed by March, 1959. Tenders for furniture required for the hostel have also been invited and samples of each piece is being obtained from the lowest tenderers for approval.

The construction of building for the Staff Club and 8 more peons' quarters has been taken in hand from April 1958 and the work is in progress.

The typical designs prepared for staff quarters were sent to the University Grants Commission on 6th November 1957 which has since standardised the plinth areas for quarters of different grades. Fresh drawings are, therefore, being prepared accordingly.

Water supply scheme has been drawn up and approved. Indents for necessary pipes are being placed with the firms on Government rate contract and tenders invited for other materials including centrifugal pumps etc.

Estimates have been sanctioned on 4th August 1958 for approach road to the Library, Peons Quarters and Open Air Theatre and Swimming Pool and tenders are being invited for these works.

13. LIBRARY

The University Library has continued to grow during the year 1957-58. Besides the grants made by the University for the Central and Departmental Libraries, we have also received substantial grants from the University Grants Commission and the India Wheat Loan Educational Exchange Programme. The University made a budget provision of Rs. 30,000/- from the Central Library from its own funds. A sum of Rs. 2,000/- was allotted out of the 'Dugar Donation'. A total sum of Rs. 20,000/- was also allotted for the five teaching departments of the University i. e. the Department of Economics and Public Administration, Philosophy, Geology, Law and History. The University Grants Commission gave a grant of Rs. 30,000/- for the purchase of books on 'Humanities'. This grant has to be utilised by the 31st August, 1958. Orders have been placed and it is expected that the grant may be fully utilised by the specified date. The previous grants also of Rs. 40,000/- for books on 'Humanities' have been fully utilised. Besides the above grants orders for books and back volumes of journals were placed under a grant of \$ 6,000.00 for 'Scientific' subjects and \$ 4,000.00 for 'Humanities' subjects received from the India Wheat Loan Education Exchange Programme.

The University has this year spent a total sum of Rs. 76,000/- for strengthening the library, besides the grants received from the India Wheat Loan. As a result of this expenditure there has been a remarkable increase both in collection of books and back numbers of periodicals.

The total number of books during the year increased from 29,739 to 35,793 i. e. by about 6,000 volumes. About 700 books were received as complimentary copies from various learned Institutions, Government Departments and

Private donors. Shri N. C. Kasliwal, M. P., presented to the University all the parliamentary papers including debates, reports etc., which will be helpful to the Research students. Special mention may be made of the presentation of about 70 books by the Russian Embassy in the month of April, 1958. During the year library purchased 68 Microfilms from INSDOC for the use of the Research students. There are now about 220 Microfilms in all. The collection of theses submitted to the University rose to 380 by an addition of 89 during the year.

Out of the 91 journals subscribed for the year 1956-57, one journal has ceased publication and 21 new journals have been added during the current year upto 30th June, 1958. The Central Library is thus subscribing 111 journals in all, and the three English dailies. The five Teaching departments also are subscribing 138 journals for the Departmental libraries. Besides these, the Central and Departmental libraries are receiving complimentary copies also of several journals from Research Institutions and Government Departments in India and abroad. Especially, the name of the University has been included in the free mailing list for certain parliamentary publications to be received from the Lok-Sabha Secretariat. A list of journals subscribed for and received as complimentary is given in Appendix 'A'. Apart from this, the Library has also acquired back volumes of periodicals for the Central as well as Departmental libraries. A list of the back volumes acquired during the period is given in Appendix 'B'.

The membership of the library is also increasing day by day. A total of about 7,000 books was issued to the members of the University Library during the period. These figures do not include the number of books issued in the Departmental libraries. To facilitate Research, 25 books were borrowed from other libraries in India on

Inter-library loan on receipt of requisition from the Research students.

With a view to extend the library facilities to the teachers and students of the affiliated colleges, a Committee consisting of the following persons was appointed by the Library Committee to revise the rules of the Central Library :

1. Prof. M. V. Mathur, Head of the University Department of Economics & Public Administration, Jaipur.
2. Shri B. D. Bhargava, Principal, Commerce College, Jaipur.
3. Shri Bhimsen, Principal, Government College, Ajmer.
4. Prof. M.F. Soonawala, Rajasthan College, Jaipur.
5. Dr. D. L. Gupta, Honorary Librarian.

The Library is in a great handicap for the non-availability of a good local binder. Still, a steady progress has been made in binding of back volumes of periodicals. During the year, about 420 back volumes of periodicals were got bound. It is contemplated that from the next financial year, the library may have its own bindery.

The University contemplated to start a Certificate Course in Library Science during the current session. But, due to the non-availability of the financial grant from the Government of Rajasthan, the Scheme had to be postponed for the time being.

The construction work of the new Library building is making steady progress. The basement, the stack room and the office rooms on the ground floor are more or less ready for occupation. It is expected that the library may shift in the above portion in the near future. For designing the furniture of the University Library, the Vice

Chancellor has been pleased to appoint a Committee of the following members:—

1. Dr.R.E. Heilig, S.M.S. Medical College, Jaipur.
2. Prof. M. V. Mathur, Head of the University Department of Economics & Public Administration, Jaipur.
3. The University Engineer.
4. The Honorary Librarian.

This work of designing the furniture will be taken up very shortly.

Dr. D.L. Gupta, Reader, University Department of Economics, acted as Honorary Librarian during the year.

8. Extra-Curricular and Social Activities:—

Extra-curricular activities are organised by the University Philosophical Association attached to our Department and which was founded in the year 1951. During the last seven years of its existence the Association has greatly helped in promoting social and intellectual atmosphere in the Department. The Department had the privilege of hearing the Extension Lectures delivered by Prof. M. H. Fisch of the University of

Illinois, U. S. A., an eminent philosopher of U. S. A. The following office bearers were elected for the year 1957-58:—

1. Dr. P. T. Raju, M.A. Ph.D., Sastri, Ex-Officio President.
2. Dr. V. H. Date, M A., Ph.D., Ex-officio Vice President.
3. Mr. Bal Krishan, M.A. (Final), Secretary.

This session the Inaugural Address was delivered by Shri H. D. Ujwal, Principal, R. A. S. Officers Training School, Jodhpur.

A number of papers were also read by the members of the Association and the other external speakers, who took part in the Seminars.

A SYMPOSIUM was organised by the Association under the Presidentship of the Hon'ble the Chief Justice, K. N. Wanchoo on "CONCEPT OF FREEDOM".

Dr. P. T. Raju delivered extension lectures on "Man and Nature" at the Maharaja's College, Jaipur. He was also invited to deliver a Welcome Address at the opening of an American Culture Week organised by the United States Information Service, in Jodhpur during January, 1958.

Dr. Raju has been conferred the title of PADAMBHUSHAN by the President of the Republic of India on the 26th January, 1958, the Republic Day.

He contributed articles to different journals both Indian and foreign and the two following manuscripts are ready for publication:—

1. Concept of Man.
2. Introduction to Comparative Philosophy.

Dr. Raju was invited by the Bhandarkar Oriental Research Institute, Poona to deliver their Anniversary Address on the 17th September, 1958.

9. Discipline:—The discipline of the Department was quitesatisfactory.

10. General:—The Department is at present located in 6 tutorial rooms of Jaswant College, Jodhpur. The Reading Room is also in one of the Library rooms and there is much congestion. Besides there is not enough space for the Research Scholars to work quietly in the Library. More space

is the urgent need of the Department, which is expanding year by year. Due to lack of accommodation the University has not been able to start Experimental Psychology courses and Laboratory in the Department of Philosophy for which the University Grants Commission has already sanctioned some amount. The Departmental Office is located in a small room. There is an urgent need for more office accommodation also.

P. T. Raju,
Head of the Department.

3. University Department of Geology, UDAIPUR.

1. Control and Management:—The University Department of Geology, which owes its existence to the generous donation of Rs. 15,000/- per year by Syt. Seth G. D. Birla, is located in the premises of the Maharana Bhupal College, Udaipur. It started functioning on 1st July, 1950, with Dr. K. P. Rode as Head of the Department.

2. Enrolment:—The total number of students at the close of the session 1957-58 was 5 (3 regular scholarship-holders and 2 casual students). No Research scholars were admitted during the session. The Previous and Final M. Sc. classes were started with the admission of 8 students in Final and 7 in Previous. All the students were already enrolled in the University of Rajasthan.

3. Course of Study:—The Department prepares students for the degrees of Ph. D. and M. Sc. in Geology. The Department undertook the teaching of M. Sc. classes from the M. B. College with effect from July, 1957.

4. Staff:—This year the following members were added to the Staff under the Development Scheme :

1. Dr. E. Venkayya, M. Sc., Dr. Sc. (Zurich)—Lecturer.
2. Mr. M. K. Pandya, M. Sc., —Lecturer.
3. Mr. M. W. Chaudhari, M. Sc. Lecturer—X-Ray Analyst.

One post of L. D. C. in the Department was converted to U. D. C. and Shri B. M. Jawalia, M. A., 'Sahitya Ratna', who was working as L. D. C., was raised to this post.

5. Examination Results:—Of the 7 Previous M. Sc. students 5 were sent up, 2 being detained for shortage of attendance.

Examination.	No. of candidates appeared.	No. Passed in Division.			Total.	Percentage of passes.
		I	II	III		
M. Sc. (Final)	8	3	5	—	8	100%
M. Sc. (Previous)	5	—	—	—	4	80%

Finances:—The following fees are charged from the students:

Tuition Fees for Ph. D	...	Rs. 150/- per annum.
Tuition Fees for M. Sc	...	Rs. 120/- per annum.
Enrolment Fee	...	Rs. 2/-
Library Caution Money	...	Rs. 15/-

Special Grants:—The Department received a Development grant from the University Grants Commission and from the Rajasthan Government of Rs. 1,95,000/- to be spread over 4 years up to 1961, (Rs. 1,20,000/- for equipment; Rs 50,000/- for Library; and Rs. 25,000/- for Workshop), and a Recurring grant of Rs. 75,000/- for the Additional Staff for M. Sc. Out of the above grants Rs 9,522/- for equipment, Rs. 2,970/- for Library, and Rs 3,047/- from the recurring grant were spent during the year. We have also received a special grant of Rs. 10,000/- for the library out of the Wheat Loan Grant. The amount of Rs. 15,000/-, which was another grant for the Workshop during 1956-57, was utilised during 1957-58 and the following machines were procured:—

1. Grinding Machine.
2. Philips Multimeter.
3. Drilling Machine.
4. Lathe Machine, etc. etc.

The total amount spent out of this grant is Rs. 15,020/-. The Workshop, which has been installed in the Under Cellar of the M. B. College Science Block which being already overcrowded stands in the way of the proper use of the Workshop. It is hoped that the construction of a special Workshop building at the site of the main Laboratory will enable us to make proper use of the machines.

The following are the general receipts and expenditure from 1st April, 1957, to 31st March, 1958.

Receipts—	Rs. 17,236/-.
Expenditure—	Rs. 50,754/-.

7. Building:—The Government of Rajasthan had granted a plot of land for the construction of the Geological Laboratory. Unfortunately, owing to litigation the building could not be constructed. Steps were taken by the Rajasthan Government to acquire the same and to hand it over to the University. It is

hoped that the Laboratory building will be constructed without delay.

8. Library:—The total number of the books in the Departmental Library at the beginning of the Session was 546. During the session 83 more books were added. The number of books issued during the session was 940. The average issue of books to each reader comes to 47. About 500 books were issued to the readers during Library hours. The Department gets books on loan also from the Geol. Survey of India Library and from other important libraries of India for Research Scholars. The back numbers of the Memoirs issued by "The Geological Society of America" from Vol. 1 to 63 (1934-55) were also added during the period under report.

We are receiving the publications of the following institutions in exchange for those of the University Department of Geology.

1. Department of Geology, Saitama University, Ukawa, Japan.
2. Palaeontologia Sinica, Geological Survey of China.
3. University of Indonesia.
4. Geological Survey Division, Department of Mines, Bangkok, Thailand.
5. University of Western Australia, Department of Geology.

Series B Nos. 5 to 8.
3. Records G. S. I. Vol. 84, Part 4.

9. Games and Sports :—With the taking over of M Sc. classes games were restarted. Owing to the lack of a proper play ground and rooms games and sports could not be conducted very satisfactorily.

10. Scholarships :—This year no new Research scholars were enrolled. The same scholars as were attending at the end of the last year (1956-57) continued this year too.

During this year Shri T.V.V G.R.K. Murty submitted his thesis for Ph D., whereas Mr. D.A. Bhagwatwar and Mr. R.T. Shukla have completed the MSS. of their Theses which are almost ready for submission. The other scholars who have completed their field work and a good portion of Laboratory work, will start writing their Theses shortly.

11. Extra-curricular and Social Activities :—During the year two Extension Lectures were delivered to the Department by Shri A.M.N. Ghosh, Member (Technical), Oil & Natural Gas Commission, Government of India, Dehra Dun. The students of Previous and Final M.Sc. classes were taken on a geological excursion to various parts of Rajasthan, such as Jodhpur, Bikaner and Ajmer Divisions, for about 26 days, and the Final Year students were sent for training in mining methods to the various mica mines round Bhilwara for a period of two weeks.

The University Geology Association was organised and a number of Lectures by students and Research Scholars were delivered.

12. Hostel :—Owing to delay in the sanction of the scheme no hostel accommodation could be provided for the students. They had to make their own arrangements.

13. Discipline :—Discipline among students was very good and no incident disturbed the peaceful atmosphere.

14. General :—Dr. K.P. Rode was deputed by the University of Rajasthan to attend the Annual Sessions of the Indian Academy of Sciences at Tirupati and the Indian Science Congress at Madras. He read one paper at the Academy and two papers at the Science Congress. Research students also read a few papers at the Geology and Geography Section of the Congress session. Dr. K.P. Rode delivered two Extension Lectures at the Birla Science College, Pilani, on "The Nature of the Earth's Crust" and on "The Evolution of the Southern Oceans."

Dr. K. P. Rode,
Head of the Department.

4. University Department of History, JAIPUR.

1. Control and Management :—The University Department of History is located at Jaipur. 5. The University Law College, JAIPUR.

History :—The Law College, Jaipur, was started in July 1947 with the inauguration of the University of Rajputana. With the City of Jaipur becoming the centre of the University of Rajputana, it was considered desirable to start a first-grade Law College at Jaipur. Permission for opening the College was obtained from the Special Educational Officer of the University of Rajputana and the College accordingly commenced working on the 16th July, 1947.

Subsequently, as a result of negotiations between the University of Rajputana and the Government of Rajasthan, the control and management of the Law College was transferred to the University, which took over the College with effect from 7th July, 1953, with a view to setting up a model institution for the teaching of Law under the University. The College has since then been designated "The University Law College", Jaipur.

1. Control and Management :—With effect from date of its transfer to the University of Rajasthan on 7th July, 1953, the Law College became a constituent of the University. It is now maintained and financed entirely by the University of Rajasthan.

2. Enrolment :—The number of students during the session was 241 in LL.B. Previous, 148 in the LL.B. Final, 7 in LL.M. Part I, and 6 in LL.M. Part II.

The admission had to be limited to 250 in the Previous, and was made after interviewing every candidate. A few rules were observed, for instance not to allow candidates for Law Previous to attend any other Post-graduate class.

3. Teaching Staff :—

The Staff will have to be increased if the recommendations of the Legal Education Committee are to be implemented by this premier Law College of the State. Tutorials, Seminars and facilities for students to work in the Library will then become practicable.

Shri R. N. Varma, who had got a fellowship last year for prosecuting higher studies in Law at Berkley, California (U.S.A.), returned in July, having secured the degree of Master of Laws from that University.

Prof. K. R. R. Sastry was invited to become a member of the Experts Committee on Legal Terms (Ministry of Education, Government of India). Dr. R. N. Varma took charge of the administration of the College in Prof. Sastry's absence whenever the latter had to go to Delhi in connection with the meetings of the above Experts Committee. He also assisted him in the drafting of this annual report.

The Principal was invited to take part in a Seminar on Administrative Law conducted by the Indian Law Institute in December, 1957, in New Delhi. He also took part as a Foundation Member in the 1st All-India Conference of Law Teachers held in December, 1957, in Bangalore and made a valuable contribution to the deliberations of the conference. He led a discussion on "The Role of Legislatures in India" in the All-India Speakers' Conference held at Jaipur. He delivered a University Extension Lecture in February, 1958, at Jodhpur on "The Nature of the Indian Constitution."

Shri R. N. Varma, who had been working on his Thesis "Constitutions on Ancient India" since 1953, was awarded the Ph.D. Degree of the University of Rajputana in August, 1957, soon after his return from the States in July, 1957.

Mr. Narendra Singh continued to work on his Thesis for London Ph.D. He was deputed to attend the course of special lectures on International Law delivered by Prof. Quincy Wright at Delhi, from 10th to 23rd March.

Mr. I. C. Saxena wrote a book on "Transfer of Property Act" and published it with a foreword by Mr. Justice J. S. Ranawat.

Mr. B. S. Sinha has completed his work on the Law of Torts. All full-time members of the Staff have contributed to the University studies and the annual College Magazine.

4. Finance :—The expenditure of the College during the year was Rs. 82,180.00 nP., while the income amounted to Rs. 44,392 00 nP.

5. Building :—The College had been housed in the Maharaja's College building since its foundation in 1947. It was able to shift to its own campus in Gandhinagar in July, 1957, since when, owing to a quieter atmosphere, more space, better Library facilities, a Reading-room, Staff-rooms, Games and extra-curricular activities, the academic atmosphere has considerably improved. Tutorials and seminars, if introduced, will bring about still further improvement in the academic standards and general atmosphere of the College.

6. Library :—There were 5051 books at the end of the year 1956-57, and 500 books were added during 1957-58, which brings the total number to 5551, costing about Rs. 50,000/-. We received the following grants for the year :—

(i) Annual grant of Rs. 5,000/- from the University of Rajasthan,

and

(ii) Rs. 4,000/- from the University Grants Commission.

Among the important and rare books added may be mentioned the following :—

1. Halsbury's Laws of England, Vol. 1
to Vol. 48 by Lord Symonds.

—3rd Ed.

2. The Encyclopaedia of Forms and
Precedents from Vol. 1 to 20.

—3rd Ed.

7. Extension Lectures :—Professor Quincy Wright of the University of California delivered an instructive lecture on "Maintenance of Peace" on 23rd November, 1957, at which the Vice-Chancellor presided. Professor L R. Sivasubramaniam, Dean, Faculty of Law, Delhi University, delivered a lecture on "The concept of Law in the East and the West" on 15th February, 1958.

8. Athenaeum Club :—The LL. M. Athenaeum Club, membership of which is confined to the members of the College teaching staff and the students of the LL.M. Classes, is in the third year of its life,

The club, which is intended to act as a forum for serious legal discussions, has helped in the diffusion of legal knowledge among our post-graduate students and has also made it possible for them to come into contact with men learned in Law.

The following were unanimously chosen as office-bearers for the year.

- | | |
|-----------------------------|---------------|
| (i) Shri K.R R. Sastry | ... President |
| (ii) Shri Narendra Singh | ... Convener |
| (iii) Shri Sheoji Lal Joshi | ... Secretary |

The first meeting of the Club was held on 21st September, 1957. Professor K.R R. Sastry, President, gave a learned discourse on certain aspects of the Indian Constitution, which was followed by a discussion.

The Second meeting, held on October 16, 1957, was addressed by Mr. M.N. Kaul, Bar-at-Law, Secretary, Lok Sabha. He talked on parliamentary procedure, which led to a very interesting discussion on the working of parliamentary democracy in India.

We were very fortunate in having Shri Satya Narain Rao, Member, Law Commission, in our midst when he visited Jaipur last November. Our students were greatly benefited by his profound juristic knowledge.

Our last meeting was held on 30-1-1958 to receive Judge Mrs. N.L. Gallagher of Washington (U S A), who spoke to us on the working of the courts in the United States of America. The meeting was attended by the Hon'ble the Judges of the Rajasthan High Court, leading members of the Bar and our colleagues in the Departments of History and Economics.

9. Games and Sports :—A Volley-ball team led by Shri Laxman Singh of LL.B. Previous was sent to participate in the Zonal Tournament held at the Medical College, Jaipur. It distinguished itself by winning three games and entering the Semi-Final, in which it lost to Maharaja's College, Jaipur.

Our College was also represented by the Sports Team headed by a member of the Teaching Staff in the Central Tournament of the University of Rajasthan, held at M S J. College, Bhāratpur.

As the playing grounds could not be ready within the University campus in Gandhinagar to which the Law College shifted at the beginning of the academic session, no games or sports could be properly started during the year. It is hoped that if proper grounds are available in the next session the inherent talents for games and sports amongst students will find a better scope for development.

Shri Laxman Singh of LL.B. Previous and Shri Brij Behari Lal of LL B Final were nominated captains for Volley-ball and sports respectively for the session 1957-58.

10. Extra-curricular Activities :—Owing to the late opening of the College and the shifting of the College to its own campus the elections of the Union came off on 9th September, 1957, i.e., a little later than usual. Dr. R.N. Varma was appointed Chief Returning Officer to conduct the elections. Mr. Ramesh Chandra Soni and Mr. Sumer Singh Bhandari were elected President and Vice-President of the Union respectively.

The first function of the Union was the inauguration of its activities by Hon'ble Shri R.N. Mirdha, Speaker of the Rajasthan Assembly. In his inaugural speech Mr. Mirdha spoke on the role of constitutional government in a welfare state and the part played by law and lawyers therein. He exhorted the students to develop a high sense of morality and play their part well in the building up of the country.

The 5th of December, 1957, witnessed the performance of a variety entertainment programme organized by the Union under the presidentship of Mr. Ramesh Chandra, Station Director, All-India Radio, Jaipur. The function was well attended and the programme highly entertaining.

As usual, the Union successfully organized a number of prize debates during the year and also enabled its suitable members to participate in local, State and Inter-State debates.

At the All-Rajasthan Hindi Debate held at Ajmer, Mr. V.N. Bhargava of the Final Class was adjudged the best debater and awarded the first prize. Messrs. V. K. Sharma and V. N. Bhargava represented the College at the All-Rajasthan Hindi Debate of the Maharaja's College and won the trophy for the College. Mr. V. K. Sharma was awarded the first prize. The above team represented the College at the All-India Hindi Debate held in Delhi and won appreciation. Messrs. Bhawani Singh, Jai Suriya and Shantilal Pokharna, represented the College at a couple of English debates held in Delhi. Mr. Bhawani Singh was adjudged the second best speaker and awarded the second prize. Shri Bhawani Singh was awarded a special prize at the All-India English Debate held at Aligarh. Mr. Bhawani Singh won the first prize at the All-India Sawai Man Singh Silver Jubilee English Trophy Debate held at this College. The trophy was annexed by the team of the Government Law College, Bombay. Mr. Bhawani Singh won the first prize at the All Jaipur English Debate, held at Pareek College.

To commemorate the memory of the late Hindi poet, Shri Jai Shanker Prasad, the Union organized a Kavi-sammelan under the presidentship of the lady saint, Shraddha Mataji. An Urdu Mushaira was held under the presidentship of Sri Taban.

As usual, the Union organized a General Knowledge Test. Mr. A. K. Gupta and Narpat Rai secured the first and second positions respectively.

The Union arranged a condolence meeting on the sad demise of Hon'ble Maulana Abul Kalam Azad, Education Minister to the Government of India.

The activities of the Union for the session ended with the annual function held on 30th March, 1958, when prizes were given away by the Patron and Principal K.R.R. Sastry.

12. Discipline :—Discipline in the College remained quite satisfactory. The Law College Union conducted its proceedings peacefully and with restraint.

13. Work Ahead :—The hopes expressed in the last Report that with the shifting of the College to its campus the transitional period would come to an end and tutorials and seminars would be introduced with effect from this year could not materialize. Nither could the timings of the College be changed nor the number of periods increased. Owing to certain legal lacunæ the rule against attending a double course of lectures could not be finally enforced.

It is, however, hoped that with effect from the next session further steps will be taken to disallow the combination of Law with any other post-graduate course, and that the standard of this College will be improved by converting it into a whole-time institution working for four periods from 2.30 to 5.30 p.m. The fall in the number of students is inevitable but fall in quantity will mean a corresponding rise in quality.

I feel it my duty to record here a year of harmonious work with very hearty co-operation from the Staff.

6. Finances:—The total expenditure incurred from Government revenue was Rs. 4,33,775.44 and from non-Government funds, viz. Games funds, Reading-room fund and Union fund, Rs. 67,464.82 The audit of Government as well as non-

Government funds has been carried out by Government auditors up to 1956-57.

7. Buildings :—The College is rather inadequately equipped in respect of buildings. Construction of an Assembly Hall for the College was started early in 1955, but for the last year and a half the work has been at a standstill. Besides this, sanction for the following new constructions has been obtained under the Second Five Year Plan :—

- (1) Extension to Laboratories,
- (2) A New Library Block,
- (3) A New Hostel.

The sanction of the Administration to start these works is being awaited. When these constructions are completed, as they are expected to be by the end of the Second Five Year Plan, the College will be well-equipped in respect of buildings.

The College has been given during the year another cycle-stand at the cost of Rs. 13,000/-

8. Library and Reading-room :—The Library of the College is quite large and attractive. It is run on the open-access system from 10 a.m. to 8 p.m. It can accommodate 120 readers at a time. The total number of volumes is over 30,000 and the number of journals and periodicals subscribed to is nearly 240.

9. Games and Sports :—The College provides facilities for all games, sports and athletics, e.g. basket-ball, football, hockey, badminton, kabaddi, cricket, boxing, tennis, table-tennis, tenni-koit, swimming, weight lifting and gymnastics. The College had the distinction of winning hockey, kabaddi, badminton and table-tennis trophies in the Rajasthan University Tournaments held at Bharatpur in 1957-58. The women students of the College also won the Table-Tennis Trophy of their Tournament. Mr. C. K. F. Marfatia represented the Rajasthan University in the Inter-Varsity Athletic Meet held at Poona. Messrs D.B. Choudhry and B.K. Tondon were selected to represent the Rajasthan University at the Inter-Varsity Badminton Tournaments held at Benares in 1957-58. The College annexed the Rajasthan Open Wrestling Championship. It also won the Rajasthan Rifle Shooting Competition under Nineteen Hockey Trophy, Rajasthan. Basket-ball Championship Shield (Open), and the Rajasthan Swimming Championship (Open).

Badges, appreciations and certificates were awarded to many students.

A net ball court, two badminton courts and one tenni-koit court are the new additions to the previous ones.

10. Scholarships, stipends, medals and concessions in fees :—No scholarships are awarded by the University. 61 merit-cum-need scholarships were awarded by the Government of Rajasthan. The Government of India grant 3 Research Scholarships in Zoology and Botany. Stipends from the Students' Aid Fund were given to 21 students. Concessions in fees were also given to students according to Government rules.

11. Extra-curricular and Social Activities :—

(a) **COLLEGE UNION, SOCIETIES AND ASSOCIATIONS :—**As on the academic side, the College did well in extra-curricular activities. Besides the College Union, it has an Association for each subject, a Social Service League, a Scouts' Troop and a Camera Club. It has also been bringing out a fortnightly paper, 'The College Times', besides two issues of the College Magazine. The most impressive function of the College is in its Annual Convocation. The last Convocation since its affiliation to the University of Rajasthan was held on 2nd March, 1953, at which Dr. P. E. Dastoor, Professor of English, Delhi University, addressed the Graduates.

(b) **DRAMATIC ACTIVITIES :—**Just before the closing of the College for the winter break, it celebrated the Annual Festival for full one week. Among the numerous and varied items during the week, was the staging of Oscar Wilde's full-length play, 'The Importance of Being Earnest'.

(c) **NATIONAL CADET CORPS :—**The 4th Rajasthan Bn. N.C.C., which is a two-company Battalion, includes 170 Cadets and 5 Officers from this College. The Unit has a high reputation in the National Cadet Corps.

The N.C.C. Cadet Corps of the Ajmer Battalion had its Summer Social Service Camp at this College in May, 1953, and did the preliminary digging for making a Swimmingpool here. Their work was praiseworthy.

12. Hostel :—The College has a Hostel with a capacity to accommodate 40 students. Last year it was full and many had to be refused admission.

13. Discipline :—The discipline among the students throughout the year was satisfactory.

14. General :—This is perhaps the oldest educational institution in Rajasthan. It was established as a School in 1836 and was raised to a College in 1868. It has now 11 post-graduate departments including M.Com. and 5 on the Science side, namely, Zoology, Botany, Physics, Chemistry and Mathematics. The College has had good traditions as regards discipline, and extra-curricular activities. In respect of buildings, it is somewhat inadequately equipped, but when the new blocks sanctioned under the Second Five Year Plan are completed, things will become quite satisfactory.

2. Dayanand College, AJMER.

1. History:—The Dayanand College, Ajmer, has grown out of the well known D. A. V. High School, which has been serving the cause of education in this part of the country for the last 70 years. It was dedicated to the sacred memory of Maharshi Swami Dayanand Saraswati, who breathed his last at Ajmer.

The Institution was raised to the status of an Intermediate College in Arts, and was housed in its present grand building on the occasion of its Golden Jubilee in 1942. The Commerce and the Science Departments were started in 1945 and 1948 respectively. It was raised to the status of a Degree College in Arts and Commerce in 1951. In July, 1955, Intermediate classes in Agriculture were started in accordance with the scheme of making this institution a full-fledged Degree College in Agriculture. In 1958, the College *opened post-graduate classes in Politics, History and Commerce*. The number of students on the rolls has increased appreciably from 700 in 1957-58 to about 1000 in 1958-59.

As will be noted from the progress mentioned above the College has been steadily improving since its inception as an Intermediate College in 1942. To-day it is one of the best and largest institutions of its kind in this part of the country. The number of students, the examination results and several other features have earned a reputation for the College.

2. Control and Management:—The Institution is controlled by the registered body, the Arya Samaj Educational Society, Ajmer, which is running 2 High Schools, 1 Middle School, 2 Primary Schools, etc., besides this College. The Managing body is a representative one and functions according to the rules and regulations prescribed for the purpose.

7. Finances :—Starting with an opening balance of Rs. 2,733/-, the College shows Rs. 1,71,071/- and Rs. 1,84,073/- as income and expenditure respectively.

8. Buildings :—There has been no change in building since last year except that the spacious hall has reached the ceiling and is likely to be completed if Government grant which is long over due is received early.

College Swimming Pool :—The College Swimming-pool continues to provide much appreciated facility for aquatic sports and games. The extensions and improvements brought about last year have further added to its utility. The situation of the pool in picturesque surroundings makes it a place of general attraction.

9. Library and Reading-room :—532 books were added to the College Library during the year 1957-58, bringing the total to 6300. The average number of students visiting the Library and the reading-room every day is 375. The total number of books issued during the session is 3255. The average issue of Library books to each student works out at 2 books per student per week.

10. Games, Sports and Medical Examination :—The College has been devoting as much attention to games and sports as to its other activities. We have been regularly participating in the sports held by the University.

In the Rajasthan Wrestling Championship our team was runners-up and individual prizes were won. The College runs the Rai Bahadur Hockey Tournament, and our College team continues as holder of the runners-up Trophy.

The 9th Inter School and College Swimming Competitions were held at our College Swimming-pool in September, 1957, and we annexed Middle and Senior Championships besides the Tamra General Championship. We were the runners-up in Water-polo.

560 students of the College were medically examined by the College Medical Officer. A large majority of students were found to possess normal health.

11. Extra-curricular Activities :—

(a) As usual, the College Union activities this year, started with the election of representatives of different College Associa-

tions to the Union, early in Sept., 1957. These representatives formed an Electoral College of 41 members, to elect the office-bearers of the Union. The College Union was inaugurated by Shri Ananthasayanam Ayyanagar, Speaker of the Lok Sabha, on 20th Oct., 1957.

(b) *The College Associations* :—The College has 16 Cultural Associations, which in various ways provide extra-curricular activities to the students and immensely help them in forming a broad general outlook in their special subjects of study. The chief among these are the Commerce Association, the Hindi Sahitya Sabha, The English Seminar, the Agricultural Association, the Scientific Association, the Drawing and Painting Association, the Social Service League etc.

The Commerce Association arranged a tour to South India during the Winter vacation, which included visits to places of commercial and cultural importance in Bombay, Madras, Mysore Bangalore and Rameshwaram. Prof. G. L. Joshi, K. N. Gupta, M. P. Sharma, and K. S. Vashistha accompanied the students on this long and instructive tour.

The Fine Arts Association sent some paintings to a local Art Exhibition, and one of our students was awarded a prize for landscape painting. The members of the Fine Arts and Agricultural Associations arranged a Fine Arts Exhibition and a very instructive Agricultural Exhibition, respectively, on the occasion of the College Convocation. The Dramatic Association successfully staged a one act play of Shri Bhagwati Charan Verma 'Sabse Bara Admi', during the Annual Social Week of the College, in, January, 1958. The Social Service League arranged some social service during the Annual Week, in which about 200 students participated in the work of levelling the ground to the north and south of the College Hall.

(c) *Lectures by distinguished visitors* .—This year too, as usual, we had the privilege to hear several learned visitors to our College, like Mrs. Dobroselskaya of the Russian Embassay, New Delhi, and Mrs. Wright, former Director of the Chicago Council of Foreign Relations, and Shri Tukroji Maharaj, President of the Bharat Sadhu Samaj.

(d) *N. C. C.* :—The Summer Camp of the N. C. C. was held at Mount Abu, in May, 1957. The cadets contributed a great deal to the construction of five mile up-to-date road.

They also dug a tank on the slope of a hill. The enthusiasm of the cadets was highly appreciated by distinguished visitors to the Camp. Under the Second Five Year Plan expansion programme, our College has been granted one full Company. Lt. S. V. Ghule is the Commanding Officer of this 'B' Company of the 4th Rajasthan Battalion.

(e) *College Convocation*:—The 5th and last College Convocation under the Agra University was held this year on 23rd February, 1958. 110 Degrees in Commerce and Arts were awarded to the students by the Principal acting on behalf of the Vice-Chancellor.

Shri Murarji Desai, the then Commerce and Industries Minister, Government of India, was kind enough to come and address the Convocation.

12. Discipline:—Our College has always aimed at creating among the students a love of the ancient heritage of our country, without of course, neglecting the needs and requirements of modern life. The Institution has always been noted for its efforts to provide a moral, cultural, physical, national and religious background to the official curriculum. As a result, therefore, the problem of indiscipline, so conspicuous elsewhere, has never arisen in this College.

13. Red Cross Association:—The College students and some of the teachers take considerable interest in the activities of the Red Cross. Principal Vable was selected as the Rajasthan Delegate to the Nineteenth International Red Cross Conference held in New Delhi from 24th Oct., to 7th Nov., 1957.

3. Raj Rishi College, ALWAR.

The Raj Rishi College, Alwar, continues to impart teaching up to the Degree standard in the three major faculties, Arts, Science and Commerce. It is affiliated to the University of Rajasthan for all examinations in Arts, Science and Commerce both at Intermediate and Degree Stages.

The college is housed in the Viney Vilas Palace. With all the new additions to the old building, namely one new block comprising four rooms, corresponding to the old block and a Laboratory for Chemistry, the college is still facing a lot of difficulty in holding classes properly due to lack of sufficient accommodation. The college is run in two shifts and it is always a problem to put all big classes (of 60 students each) in proper rooms as required under University rules. Though the new block has been completed, accommodating 1500 students continues to be a serious problem.

1. Control and Management :—The college is a Government Institution and is controlled and financed by the Government of Rajasthan.

2. Enrolment :—The number of students on rolls of the college on the 15th September, 1957 was as under :—

Classes.		No on Rolls.	Boys	Girls.
Fourth Year Arts	...	100	92	8
Third Year Arts	...	93	84	9
Second Year Arts	...	166	159	7
First Year Arts	...	223	211	12
Fourth Year Science	...	23	23	—
Third Year Science	...	24	24	—

Fourth Year Commerce	...	41	41	—
Third Year Commerce	...	69	69	—
Second Year Commerce	...	127	127	—
First Year Commerce	...	156	156	—
Total	...	1234	1189	45

The enrolment at the end of the session, however was 1184.

3. Courses of Study :—The college provided instructions in the following subjects during the session under report :—

<i>B.A.</i>	General English, English Literature, Mathematics, History, Political Science, Economics, Sanskrit and Hindi.
<i>B.Sc.</i>	English, Mathematics, Physics and Chemistry.
<i>B. Com.</i> (<i>Final</i>)	Language, Advance Accountancy, Economics and Commerce
<i>B. Com.</i> (<i>Prev.</i>)	Language, Commerce Theory and Commerce Practice.
<i>1st Year Arts.</i>	English, Mathematics, English Literature, History, Civics, Economics, Hindi and Sanskrit.
<i>1st Year Science.</i>	General English, Physics, Chemistry, Biology, Mathematics and Social Studies.
<i>1st Year Commerce.</i>	Language, Economics, Geography, Business-Methods, Accounts, Banking, Steno-typing and General Science.

Due to insufficient teaching staff no tutorial work in any of the subjects was possible.

No tutorial classes were held and all teaching was done by the lecture method. Practicals were provided in all the science subjects.

5. Examinations Results :—

Name of Examination.	No of candidates appeared	No. of candidates passed	Percentage of passes
B.A ,	85	55	65
B.Sc.	24	21	87'5
B. Com. (Final)	39	27	69

Inter. Science	119	44	37'2
Inter. Commerce	136	71	52
Inter. Arts	156	107	68'5

The pass percentage compared very favourably with the pass percentage in the University. Unfortunately there being a great disparity between the High School and Intermediate standards in English the results at the Intermediate will naturally be poor always, unless something is done to change the courses and the standard.

6. Building and Equipment :—The College building is inadequate for the every increasing number of students. The Chemistry laboratory which was partly completed last year needs equipment. Another laboratory is also required for the Physics Department.

7. Finances :—A sum of Rs. 3,04,415 was spent during the financial year under report as noted below :—

Rajasthan Government as per Rajasthan	Rs.
Government budget.	... 2,54,300
Students' Fund (Contributed by the students as per scale fixed by the Government) approximately.	... 12,000

9. Games :—The college maintained two Football grounds, three Hockey grounds, two basket ball grounds and a Running Six-laned Cinder-track with a Seven-step Stadium.

Owing to insufficient number of Play grounds it has not been possible to make games compulsory for all the students on rolls of the college. The maximum number of students 273 both male and female, however, were given facilities to play one game or the other.

The college teams in various games, as usual, were sent out on a tour and also to participate in the University and other Tournaments. Five students of the college represented the University of Rajasthan at the Inter-University Tournament.

10. Library and Reading Room :—The college Library and Reading Room continue to be housed in Gol Kothi situated at a distance of half a furlong from the main building. It contains books on all subjects taught in this college. The total number of books in the library was 17,645. The college also subscribes to Dailies, Weeklies, Monthlies and Quarterlies for the Reading Room. The total expenditure incurred during the year 1957-58 on books and journals amounted to Rs. 2998/-.

11. Extra-curricular Activities :—

(i) COLLEGE UNION :—The college runs a Union with a Parliament and Assemblies elected by the students under the guidance and advice of a member of the teaching staff. It controlled the Union Funds to the extent of Rs. 2388/- and organised a number of curricular activities during the year. The Principal is the president of the Union.

(ii) PRIZES :—The Annual Prize Distribution of the College was held on 24-1-58. The Hon'ble the Chief Minister of Rajasthan, Shri M. L. Sukhadia, addressed the staff and the students and gave away the Prizes.

(iii) COLLEGE MAGAZINE :—The annual issue of the college Magazine for the year 1956-57 was published and that of 1957-58 is to be issued shortly.

(iv) N.C.C. : The college N.C.C. continued to function as before.

(v) HOSTELS :—The two hostels had a strength of 63 students and the life in them was quite active. The inmates of the Hostel also took considerable interest in games, sports and cultural activities like debates etc. They celebrated their Annual Week very successfully and held an annual dinner at the end of the Session.

R. L. Sawal,
Principal.

4. Savitri Girls' College, AJMER.

1. Control and Management :—The Collge was started in 1914 by Prof. Lalji Shrivastava as a Primary School. It was raised to the status of a Degree College in 1951. It is under an elected Managing Committee of a Society Registered under Societies' Registration Act.

2. Enrolment :—The number of students in college classes are as under :—

10. Medical Examination :—A lady doctor makes a thorough Examination of the Physical fitness of each girl and the report is sent to the parents.

11. Extra-curricular & Social Activities :—The Institution has the following extra-curricular activities :—

(a) *College Union* :—The College has Union elected at the commencement of each session. It holds a number of debates and literary activities. The Union cabinet is made responsible for the good behaviour of the classes.

(b) *Hindi Samiti* :—This is an association set up with a view to encourage the study of Hindi.

(c) *N. C. C.* :—There is one complete unit of three sub-troops of the Senior Division N. C. C. in the College with three Commissioned Officers-in-charge. Ours is perhaps one of the very few girls' institutions in the country where a whole troop is

functioning. The girls are given full military training including the use of fire-arms. We have a firing range at the College. The training camp at Pilani was attended by our cadets. Our cadets stood first in drill and turn-out competitions and Second in Signals training competitions.

(d) A Sangeet Saurabh was formed this year to create in the students an interest in classical music.

(e) An English study Circle was formed this year to encourage the study of English.

(f) The College publishes a Magazine, 'Pratibha', to which the college girls contribute articles.

(g) A University Extension Lecture was delivered by Dr. (Miss) R.P. Shastri, Principal, M.S. College for Women, Bikaner, on the subject 'Art and Literature during the Mughal period'.

12. Hostel :—There is no hostel attached to the college

13. Discipline :—Excellent.

5. Government Teachers' Training College, AJMER.

1. Control and Management :—The Government Teachers' Training Institute, Ajmer, which was under Delhi Administration from August, 1948, to July, 1951, and thereafter under Ajmer Administration came, with the merger of Ajmer State, into Rajasthan, under the administrative Control of the Education Department. In July, 1957, this Institute was raised by the Government of Rajasthan to the status of a Post-graduate Basic Teachers' Training College, with B.Ed. This College was affiliated to the University of Rajasthan, Jaipur, in July, 1957. The College remained, for the period under report, under the administrative control of the Education Secretary to the Government of Rajasthan.

2. Enrolment :—The number of seats at the College has been fixed at one hundred. One hundred student-teachers joined the College. These included 79 men and 21 women. During the course of the session four men student-teachers dropped out, and ultimately 96 student-teachers appeared at the B.Ed. (Basic) Examination of the University of Rajasthan. 3 of these were double M.A.'s, 21, M.A.'s, 13, B.Sc.'s and 59, B.A.'s.

6. Finance:—The College is financed by the Rajasthan Government. The total expenditure during the year 1957-58, was Rs. 2 56,988/-

7. Buildings:—The College is housed in a beautiful two storeyed building situated in the city on the road leading to the Railway Station. During the period under review, one store-room and three cycle-sheds were constructed.

8. Library and Reading Rooms:—50+ books worth Rs. 4000/- were added during the period under review, thus raising

the total number of books from 16865 to 17369. The daily average of the issue of books was 40996. The periodicals costing Rs. 500/- were subscribed for as usual. Separate arrangements for the issue of books to the Law students continued as usual.

9. Games, Sports and medical examinations of students :—In Games and Sports the College teams fared very well. In the Zonal tournaments, held at this College in Nov. 1957, the football team won the 'Shield'. The College girls teams participated in the matches of Netball, Throwball, Badminton, table-tennis and Tennikoit at the University Girls Tournaments held at the Maharani Sudarshan College, Bikaner, in the 3rd week of November, 1957. One badge and two appreciation certificates were won by them. 37 players in football, badminton, table-tennis, kabaddi and sports went to Bharatpur for the University Central Tournaments in the 1st week of December 1957. The football team won the challenge cup for football. In Sport, College teams secured the highest points. Harwant Singh won the Cox-Gold Medal which is awarded to the best sportsman of the University. The College also won the Challenge Cup of the General Championship of the University. At the Inter-University Sports Meet at Poona, Harwant Singh came up first in Pole Jump clearing a height of 11' 8". Two basketball players joined in the team of Rajasthan at the National Championship Basketball Tournament at Patiala. The Basketball team participated in the Rajputana Basketball Championship Tournaments. The sports team participated in the Annual Rajasthan Sports Meet at Ajmer and won Stowe Memorial Championship Challenge Cup for the College. Harwant Singh was declared Rajasthan Champion. He was selected as Captain of the Rajasthan State team at the All India Olympic meet at Cuttack held in February, 1958.

The College has at present 1 football field, 1 Hockey field, 6 volleyball courts, 2 basketball courts and 2 badminton courts. A tennis court was also constructed. More play grounds and a Gymnasium are necessary to improve the standard of Games and sports.

10. Scholarships, stipend, medals and concession in fees :—188 students being the son of Government servants drawing salary of Rs. 250/- p.m. or less, girls and members of scheduled castes and tribes were exempted from the payment of tuition

fee. 116 students received full freeship or half-freeships. Two students got research scholarships from the University of Rajasthan.

11. Extra-curricular and social activities :—As usual the College Union and its various Associations and Societies were busy in their respective spheres. The greatest function of the year was the celebration of the Silver Jubilee of the College from 26-1-58 to 3-2-58. It was inaugurated by Kaka Kalelkar on the 26th January, 1958, in the spacious Pandal erected just behind the main building of the College.

Various Cultural programmes, e. g., Variety Entertainments, Debates, International Magazines' Exhibition, Symposium, Music and Dance, Dramas, Kavi Sammelan and Mushira etc., were organised. Government gave a generous grant of Rs. 5,000/-. Funds were also raised by contributions from the students, teachers and citizens of Bikaner. The institution is very grateful to them for the help so generously rendered. The institution had the privilege of receiving such eminent persons as Shri G. C. Chatterjee, Vice Chancellor of the University of Rajasthan. Dr. Fateh Singh, Principal, Govt. College, Gangaganagar, Shri Gokul Bhai Bhutt and Shri Nemi Saran Mittal. They took prominent part in the symposium on University Education and debates on Political Ideologies etc. Shri C. H. Atma, the famous vocalist and Shri Narayan the Music Director, were invited from Bombay to give their performances. They attracted large gatherings. The Music and Dramatic Association staged a drama "Awaz" two One-Act Plays. Congratulations go to the Secretary, Kr. Indar Singh and the adviser Prof. M. R. V. Krishnarao. The Kavi Sammelan and Mushira were also very interesting. In the Kavi Sammelan poets of All India repute participated e. g. Shri Ganpat Chand Bhandari, Rewat Dan Charan, Shri Gopal Prasad Vyas, Shri Gajanan Varma etc.

As usual the College Rovers Crew and Rangers Group performed social service in the local fairs of Kolayat and Sujandesar. They helped the Police in restoring the lost children to their parents. They started a canteen during the Rajasthan University Zonal Tournaments and organised a three day training Camp at Devikund Sagar. The Physical Society organised a Cultural Week.

The Social welfare and Shramadan Committee improved the play-grounds of the College. 300 trees were planted round the Shramadan stadium.

Dr. Sampurna Nand, the Chief Minister of U. P. paid a visit on 28-4-58, after 40 years. He was highly satisfied with the progress which the institution had made since he left it in 1918, when he was the Principal of this College. The Students Union also had the privilege of being inaugurated by Dr. Gyan Chand. Dr. S. P. Verma, Principal, Rajasthan College, Jaipur, delivered a Series of Extension Lectures on the "Foreign Policies of the Communist Countries."

12. Hostels :—The two College Hostels—Main Hostel and Bungalow No. 3 Hostel, continued to function smoothly under the Wardenship of Prof. Shanti Sarup and Shri J. D. Mathur, respectively. There were 71 hostellers in the Main Hostel and 37 in the Bungalow No. 3 Hostel.

13. Discipline :—Care is taken to see that proper discipline is maintained. There is a Discipline Committee consisting of the senior teachers & students.

General :—On the academic side College must now expand the courses by opening a Commerce Faculty and by starting post-graduate classes in Politics, in Science Subjects and Law and by providing additional optional subjects like Sociology and Geography at the B.A. level.

6. The sanctioned budget, total expenditure and income during the year under report were Rs. 5,55,000/-, Rs. 3,66,579.46 and Rs. 48,381.66 respectively as against Rs. 3,71,154/- Rs. 3,06,670/- and Rs. 31,999/- during the previous year. The Government and local funds were properly audited by the appropriate parties.

7. The College is housed in three adjacently situated and exquisitely built palatial buildings. "Bijay Bhawan", "Old State Library" and "Sadul Sadan" with extensive lawns, playgrounds and several out-houses, which have been suitably modified to meet the requirements of the College. During the year under report the following improvements appertaining to the College

lands and buildings, and additions and alterations thereto, were effected through the P.W.D. :—

- (i) 'Sadul Sadan'—a palatial building was got renovated to make it suitable as a hostel for about 150 students. Two new kitchens, ten servants' quarters, two chawki-dar's quarters and 2 Gate-keepers' houses were also added to this building.
- (ii) A Lecture-room to accommodate about 60 students, and a Laboratory for the Clinical Diagnostic work, were got fitted with necessary benches, dais, black-board and other equipment during the year under report.

8. The College Library is now fully equipped with the necessary furniture. To brighten it up, tube-lights have been installed in it. The number of books on 31-3-58 was 3611 as against 2393 on 31-3-57. In addition, the College Library subscribes to 41 technical journals and 4 non-technical periodicals. In order to improve and vitalise library service at this College, arrangements have been made to keep the Library open even after the College hours. In addition to the regular College working hours, the Library is open for 1½ hours in the evenings on Saturdays and Mondays and for 3 hours on all gazetted holidays and Sundays

During the year under report 3192 books were issued to the students and the staff members of this College. The average number of books issued per student was about 7-14

9. The students continued to play both outdoor and indoor games throughout the year under report, and participated in the foot-ball, hockey and cricket matches with the teams of other local Colleges and sports Organizations.

One part-time medical officer of the P.B M. Men's Hospital, Bikaner, is attached to this College. He attends the College twice a week and on any emergency call. He is paid up monthly allowance for these services. On the whole, the health of the students remained satisfactory during the year under report.

10. The University of Rajasthan awarded three scholarships each of the value of Rs. 25/- p.m. to each of the students who stood First in the Annual I, II, III B. V. Sc. & A. H. Examinations held in April, 1957.

11. The students of this College are divided into Tutorial Groups and each group is under the supervision of a Professor.

These tutorial groups arranged debates, variety programmes and other similar extra-curricular and social activities.

12. The College hostel which consists of the buildings of 'Sadul Sadan', the out-houses of Bijey Bhawan, etc. provided accommodation to nearly 250 students. Some students were also accommodated in the second floor of the Bijey Bhawan Building.

13. The discipline of the students was satisfactory and there was no strike in the College during the year 1957-58.

14. The health, work and behaviour of the students remained commendable throughout the period under report.

The teaching staff worked hard to bring the College to its present level of development and efficiency within the short period of $3\frac{1}{2}$ years of its life. It can be said with confidence that the Veterinary College at Bikaner has been making a steady headway, and has come not only to stay, but also to become one of the premier institutes for professional studies in India.

6. Finances :—The College has a regular budget sanctioned by the Government of Rajasthan. The total expenditure incurred during the session under review was Rs. 2,18,240/-. Budget amount was Rs. 2,19,172/-.

7. Buildings :—The want of a big hall having adequate accommodation for all the students on roll was being felt for a long time. The College Hall, which was the drawing room of the Resident in this Residency building, has a floor capacity for about 300 boys, while there are more than 800 students on roll. During the year under review this Hall was enlarged by removing the wall of its adjoining room. About 100 candidates can sit for examination at a time.

A Cycle Shed has been constructed in the College compound. The estimated expenditure likely to be incurred in this construction would be more than Rs. 5,500/-.

The following were constructed by students Shramdan.

One students common room

A shed near the counter.

The District Development Committee has given a grant of Rs. 1,500/- for the completion of the Common room. B.Sc., Classes in Physics, Chemistry, Mathematics, Botany and Zoology were started from July, 1958. The Government have sanctioned a sum of Rs. 55,000/- for construction of the Laboratory for the Physics Department. Equipment and Apparatus for about Rs. 40,000/- was also purchased for equipping the Science Laboratories. The Government has also been requested to sanction Rs. 70,000/- for the construction of the building of the Zoology Department.

The College compound and College grounds have been fenced during the year under review.

Some additions and alterations in the existing buildings of the College have satisfied our need of accommodation to some extent. Still we badly require 6 class rooms, for which Government has been requested to sanction Rs. 1,00,000/-. The Public Works Department has been requested to prepare estimates for submission to the Government.

8. Library and Reading Room :—There is a Committee consisting of members of the staff to supervise the working of the

College Library and the Reading Room. The total number of books in the Library is 6,852, of which 362 books were purchased during this session. About 35 dailies, weeklies and monthlies are subscribed for the Reading Room. The annual recurring and non-recurring grants for the Library is Rs. 4,000/- per annum.

9. Games, Sports and Medical Examination of Students :—The Games and Sports in the College are controlled by the M. S. J. College Athletic Association consisting of 5 members of the teaching staff nominated by the Principal and all the captains of various games and sports. The Principal and the Physical Instructor are Ex-Officio Chairman and Secretary respectively of the Association. The College provides the following games to the students—

Hockey, Football, Volleyball,
Tennis, Basketball, Badminton,
Table-Tennis, Squash, Cricket,
and all the important items of Sports.

The College organises every year the Independence Day Football League Tournament. This year all the educational institutions of the city, the Police and the local Clubs participated.

The College had the privilege of organising the University of Rajasthan Central Tournament in the month of December, 1957. The Tournament lasted for 5 days. It was truly a stupendous task which ended in great success with the magnificent co-operation of all concerned. Following students of this College were awarded badges and appreciation Certificates by the University of Rajasthan :—

Appreciation Certificates.

1. Mahavir Prasad Jain, IV yr. Sc. (Football)
2. Badri Prasad Gupta, III yr. Arts. (Hockey)

2. Lokendra Nath Singh, IV Yr. Arts.
3. Raghubir Singh, I Yr. Arts.
4. Ram Singh, IV Yr. Arts.

10. Scholarships, Stipends, Medals and Concessions in Fees :—The following scholarships, stipends etc. were granted to the College students :—

Scholarships from :

Bharatpur Army Benevolent Fund.	...	6 Students
Scholarships to Scheduled caste and Scheduled Tribes' students, granted by the Central Government	...	32 Students

Merit-Cum-Need Scholarships granted by the Rajasthan Government :

@ Rs. 20/- P.M. to students of Degree classes 4 students.

@ Rs. 15/- P M. to students of Inter. classes 13 Students.

*Freeships and Half Freeships :—*10% students are granted Freeships and 10% were granted Half-Freeships in a class. Under this Scheme 80 Freeships and 80 Half-freeships were awarded by this College.

*Medals :—*The College awards every year 'Jai Dayal Memorial Medal' instituted by the sons of the late Shri Jai Dayal, a prominent citizen of Bharatpur, to a student of this College who stands first at the B.A. Examination of the University of Rajasthan. This Year the Medal was won by Shri Prakash Kumar Srivastava, who secured the 10th position in the University at the B.A Examination.

11. Extra-curricular and Social activities :—Class-teaching, immensely important as it is, is not complete in itself as it fosters the development of mind and certain mental habits, while co-curricular activities help the development of character and the inculcation of certain moral habits and it is both these qualities and habits which constitute the real contents of a fully-flowered human personality. The College fully comprehends the significance of these activities and lays due stress on the same. The most important vehicle of co-curricular programmes and activities in the institution is the Students' Union. The elections of the Union were held in an extremely peaceful atmosphere in the second week of September, 1957. Shri S. N. Mishra, Deputy Minister, Planning, Government of India, inaugurated the Students' Union. The Union organised extension Lectures, Debate Competitions, Essay Competitions, Kavi

Sammelan and Variety Shows for the cultural and literary advancement of its members.

Some of our students participated in All India Hindi Debate Competitions held at Pilani, Nawalgarh and Jaipur and won prizes.

The College Students' Union organised Maharani Shri Jaya Memorial All-India Hindi Debate Contest. Maharani's College, Jaipur, won the Trophy.

600 boys of this College participated in the Shramdan held in the month of September from 27th to 30th September, '57 working for 2 hours each day for 4 days. 81 students did Shramdan in the month of November 1957, working for 10 hours for a week and in the month of February, 1958, 75 boys working for 6 hours for 3 days. They cleaned the College compound, removed walls of a big room so as to convert it into a Students' Common Room.

N.C.C.:—The College Independent Coy. N.C.C. consisted of 158 Cadets. On 1st December, 1957, the N.C.C. Day was celebrated. Col. Prakash Chand, Commandant of the 5th Bn. the CRP took the salute and praised the cadets for their smart turn out and performance—our Senior Division Cadets layed a demonstration of Platoon attack where the thrilling sounds of Bren Gun 2" Mortar, Hand Grenades (36" HE), Smoke Bombs and rifle could create a virtual impression of a battle field and gave an opportunity for civilians to visualise the battle conditions and the courage of soldiers. The Demonstration, the first of its kind in Bharatpur, was very much appreciated by the spectators.

In December, '57 Cadets took part in Annual Training Camp held at Bharatpur. Hon'ble Shri Surjeet Singh Majithya, Deputy Defence Minister, H. H. The Maharaja of Bharatpur, Lt. Col. Raj Singh, Commander, 14 Circle Cadet Corps N.C.C., Assistant Education Secretary and other prominent people paid a visit to this Training Camp.

12 Hostels:—The College Hostel having accommodation for 35 students is situated in the compound of the Government Multipurpose Higher Secondary School. This year 35 students were admitted to the Hostel under the wardenship of Shri Ram Saran Singh. Looking to the number of students coming from

moreover it is necessary that a Hostel for at least 100 students is constructed in the College vicinity. In this connection the State Government has already been requested to allot necessary funds for the Hostel.

13. Discipline :—In the College the discipline during the session under review was excellent.

14. General :—The College aims at the development of the habit of Scientific study, formation of health and stable emotions and training in the right type of leadership amongst its students through a balanced programme of curricular and co-curricular activities.

Shanti Sarup,
Principal.

11. Banasthali Vidyapith, BANASTHALI.

1. Control and Management:—The Vidyapith is run by a registered Society formed under the Societies' Registration Act of 1860. The Board of Directors has entrusted its day to day management to three Secretaries, viz., the General Secretary, the Management Secretary and the Education Secretary, working under the guidance of the President.

2. Enrolment:—The total enrolment during the session was 93. The classwise distribution of the students was as follows:—

6. Finances :—The College is financed by the Banasthali Vidyapith Society. Its annual recurring expenditure is partly met by annual grants from the Government of Rajasthan and partly from the Government of India. Efforts are being made to obtain grants from other State Governments. The Governments of Bihar and Uttar Pradesh have already made a beginning in that direction. To meet the non-recurring grants, long-term interest-free loans are received from the State Government and the Central Government. To match these the Vidyapith

has to provide its own share of funds for which it has to depend upon the income from its commercial undertakings and public donations. In view of the difficult and strained financial position, it has not been possible so far to build any Reserve Fund for the Vidyapith.

7. Buildings.—The Vidyapith has the necessary accommodation for the College classes in one of its pucca buildings, viz., Kala Mandir.

8. Library:—The Central Library of the Vidyapith has been divided into three departments intended for the Primary, the Higher Secondary and the College Sections. It has a rich collection of more than 21,000 books which are available to all Sections. Regular additions to all Sections are made every year. The total number of books issued to the College students was 1500 and the average number of books issued to each student comes to 15.

The following were subscribed for the College Section Reading Room :—

Dailies 4; Weeklies 14; Monthlies 23; Fortnightlies 4; Quarterlies 24; Half-yearly 1.

There is a trained Librarian in the Library.

9. Games, Sports and Medical Examination of Students:—Physical Education is compulsory and includes, besides games and sports, drills and such exercises as Lathi, Lezim, Bhala, Yogic Asans, Horse-riding, Cycling, Swimming and Boating. This is under the charge of an experienced Physical Instructor who, in turn, is assisted by a trained Physical Instructor. A full-time Riding Instructor trains the students in horse-riding and a Cycle-Master trains them in cycling.

The Vidyapith has a well-equipped allopathic dispensary under the charge of a qualified M.B.B.S., doctor assisted by a Compounder and an Aushdhalaya under the charge of qualified Vaidya. A nursing home is attached to the Hostel under the charge of a Matron. Provision also exists for a monthly check up of all the girls and the maintenance of monthly records of the weight of every student.

10. Scholarships, stipends, medals and concessions in fees:—No tuition fee is charged in this institution and the question of granting concession in fees, therefore, does not arise.

11. Extra-curricular activities :—The educational programme of the Banasthali Vidyapith envisages, besides class teaching, a large number of activities of different kinds, thereby helping the students to have rich life experience and providing them with opportunities to learn through doing. Students self-government, the group system, celebration of functions and festivals, organising educational projects, training in household work and crafts, social contact programmes and students' associations for literary and cultural activities provide a wide range in this connection. During the academic year under report, the following Societies etc., were functioning in the Vidyapith :—

- (1) Rashtra Sansad.
- (2) Samaj Shashtra Parishad.
- (3) Sahitya Darshan Parishad.
- (4) Sanskrita Parishad.
- (5) Hobgoblin Club.
- (6) Sangit Samiti.
- (7) Kala Parishad.
- (8) Vigyan Parishad.
- (9) Shikshita Parishad.
- (10) Chhatra Parishad.
- (11) Samaj Sampark Samiti.

Celebration of national and other festivals also forms part of the extra-curricular activities. In the year under report they were as follows :—

| (7) National Week ... | ... 13th April, 1958. |
| (8) Death Anniversary of Shanta Bai ... | ... 25th April, 1958. |

In addition to the above which are special holidays, the institution also observed the birth and death anniversaries of various leaders and eminent personalities in the fields of art, literature, religion etc.

The institution also celebrated the Annual Bal Mela on the 4th March, 1958. It is a children's fair in which everything is managed and done by the students under the guidance of teachers. The students run their own bank and circulate their own currency for shopping purposes.

There is no N.C.C. in this Institution.

12. Hostels :—As this is a residential institution, all girls, except those who are daughters or relatives of the members of the Staff, live in the Hostel. The rooms are of different sizes and one or more students are accommodated in each room, according of its size. The Hostel is a cosmopolitan home where students of various social classes, religions, castes and creeds live like members of a big family.

13. Discipline :—The discipline is excellent.

14. General :—From the academic year under report, the Vidyapith, which previously was an approved Institution, was affiliated to the University for the Intermediate and B. A. examinations of 1959 and 1960. With the formation, however, of the Board of Secondary Education, Rajasthan, later on during the session, the Intermediate classes were automatically disaffiliated from the University and affiliated to the Board.

The Banasthali Vidyapith is a residential institution. The Banasthali Scheme of education has been so conceived as to help the full and free development of the whole child in the best traditions of Indian culture. It follows a special five-fold system of education (Panchmukhi Shiksha) which envisages the Physical, Practical, Aesthetic, Moral and Intellectual education.

The Silver Jubilee of the institution was celebrated from 2nd to 4th February, 1958. It was inaugurated by Pandit Jawaharlal Nehru, the Prime Minister of India, and was the biggest event of year.

Principal.

12. Government Teachers Training College, BIKANER.

1. Control and Management :—The College is maintained and financed by the Government of Rajasthan, being under the control of the Secretary to the Government, Education Department, Rajasthan.

2. Enrolment :—The total strength of the B.Ed. class was 100 at the beginning of the session; 4 students left the College after some time, and one was admitted during the session, being transferred from the Vidya Bhawan G. S. Teachers College, Udaipur, as a special case. Thus at the end of the session the total strength of the B.Ed. class was 97, including 11 women. There was no research candidate in the College.

3. Courses of Study :—The Syllabus prescribed by the University of Rajasthan for B Ed. Examination was followed. The College re-opened late in July owing to a serious outbreak of 'Flu'. Theory lectures were started at the very beginning of the session and practice teaching was started in the last week of August. Art and Craft classes were also started at the very beginning of the session and continued up to the end.

6. Finances :—The College is financed by the Government of Rajasthan. The total budgetted amount for the year 1957-58 was R. 84000/- including the salary, allowances of the establishment and miscellaneous charges.

7. Buildings :—The College building is a spacious one and is quite adequate for its need. There is no separate building for the Hostel, which is housed in a wing of the upper storey of the College building, owing to which the space available for College work is very limited. There is great need for a separate and adequate hostel building fitted and equipped with modern amenities. There have been no additions or alterations to the College building during the last session.

8. Library and Reading room :—The College has its own Library and Reading-room. 406 new books were added during the session. The total number of books in the Library at the end of the session was 2921. 45 newspapers and journals, 4 dailies, 10 weeklies, 28 monthlies and 3 quarterlies were

subscribed to. Most of the periodicals are of educational interest and are suitable for teachers under training. Some of the more important foreign educational journals were also subscribed to with a view to keeping the trainees in touch with the international developments and trends in the field of education. A reserve Library section was introduced for the benefit of the trainees, who were encouraged to study useful books on the topics suggested by different lecturers. The total number of books issued to the students during the session was 2367, the average issue per head being 23.6. The members of the Staff also made an effective use of the Library.

9. Games and sports :—Morning P. T. & evening games formed the main features of the physical activities conducted by the Physical Instructor of the College. A provision was made for the medical examination of the trainees. A part-time medical officer was appointed to look after the health of the trainees.

The College Foot-ball and Volley-ball teams participated in the local tournaments. In the local Inter-institutional Teachers' Volley-ball Tournament, the College won the Trophy.

Physical Education activities received a great fillip owing to the addition of a separate Physical Education Wing for the training of teachers in Physical Education. Games and Sports predominated in the programme of the Annual Week Celebrations.

10. Scholarships :—No scholarships were awarded by the University.

11. Co-curricular activities :—Under the auspices of the College Education Society, various literary, social, cultural and recreational activities were conducted. All the trainees were members of the Society of which the Principal was exofficio President. Shri M. R. Paliwal was nominated Adviser and Shri B. L. Maloo Associate Adviser by the Principal. The following office-bearers of the Society were elected by the students :—

- | | | |
|---------------------------|-----|--------------------------|
| 1. General Secretary | ... | Shri Hari singh Ranawat. |
| 2. Literary Secretary | ... | Shri Dbirendra Nath. |
| 3. Games Secretary | ... | Shri Sohan Lal. |

| 7. Hiking & Excursion | ... | Shri Nathu Lal. |
| 8. Hostel Prefect | ... | Shri Ram Vilas. |
9. Mrs. Anasuya Devi Bhardwaj was nominated as the women's representative.

(a) LITERARY ACTIVITIES :—Students of the College took an active part in debates, elocutionary contests, symposiums and seminars held at Bikaner and outside at Ajmer and Jodhpur. The College won the Trophy at the Bikaner Secondary School Teachers' Elocutionary Contest. The second and third prizes were also awarded to the students of the College at the Dungar College Silver Jubilee Celebration Debating Contests. The College also won the Trophy at the Rajasthan Teachers' Training Institutions Debating Contest instituted this year. Kavi Sammelans and Mushairas were also organised in which distinguished local poets and some from outside also participated. Extension Lectures by reputed scholars and eminent educationists were also arranged.

(b) ANNUAL WEEK :—This year the Annual Week was celebrated with great enthusiasm from 10th to 18th February, 1958. As part of the celebrations a variety entertainment programme was arranged exclusively by the women students of the college. This was a unique feature of the year's Annual Week.

(c) SCOUTING :—A Scout Masters Training Camp was held in October at Devikundsagar in which 60 students participated.

(d) SEMINARS :—A State seminar of the Head Masters and Education Officers of Secondary Schools, was held in the College from 4th to 20th October, 1957. Shri K. K. Chaturvedi, Principal, was Director of the Seminar. All the members of the College took an active part in the activities and in the management of the seminar.

Shri M. R. Paliwal was deputed to attend the All-India Seminar on the teaching of English held at Nagpur from 5th to 20th Dec., 1957.

(e) There is no N.C.C unit in the College.

12. Hostel :—The number of students in the College Hostel was 40. There is an urgent need for a separate Hostel

building. Shri M. C. Sharma acted as Warden of the College Hostel.

13. Discipline :—The disciplinary tone of the College was quite satisfactory. The relation between students and staff were healthy and cordial.

14. General :—The College is a progressive institution. In July, 1957, a Physical Education Wing was added to the College. This brought an additional quota of 75 students besides the 100 B Ed. Trainees. The All-India Council for Secondary Education, Government of India, has accepted the inclusion of the College in the second stage of its programme for opening an Extension Services Department in the Teachers' Training College. Accordingly the Extension Services Department of the College started functioning in January, 1958. Useful materials and equipment costing about a lakh of rupees and including a jeep, projectors, films, a tape recorder, an electric record-changer, sets of maps, charts and globes and more than 1700 books were received as gifts from the Technical Co-operation Mission, U.S.A. Shri K. K. Chaturvedi, Principal, was appointed Honorary Director and Shri V. B L. Mathur was deputed as co-ordinator of the Extension Services Department. These two additions have given the College a greater scope for extending better and more efficient services both to the Education Department and the teachers whom it seeks to serve. In fact the College now possesses all the genuine features of real learning which its founders envisaged twelve years ago.

K. K. Chaturvedi,
Principal.

13. Maharani Sudarshan College for Women, BIKANER.

1. Control and Management :—The College was founded in August, 1946, and was named after the present Rajmata of Bikaner, Her Highness Maharani Sudarshan Kumari Sahiba of Bikaner. Out of the recurring grant of Rs. 1,10,028 and non-recurring grant of Rs. 29,250/—, Rs. 1,33,674 were spent during the year.

7. Building :—A piece of land was given by the Government to the College for converting it into fields for games and sports. A building on the Gajner Road near the College was purchased for the Girls' Hostel.

8. Library and Reading-room :—The College Library was in charge of a whole time Librarian. The number of books added to the Library during the year was 443, raising the total of books to 4888. The College subscribed to 25 periodicals during the year. The Staff and the students made the best use of the Reading-room. About 2000 books were issued to the students, who received full guidance from their respective teachers with regard to reading.

The Library as usual was housed in the Hall and a verandah, as a separate Library Block did not come into existence.

9. Games, Sports & Medical Examination of Students:-

A whole-time Physical Instructress was engaged to give Physical Training, which is compulsory in the College, and as such a games period of 45 minutes' duration was fixed for the purpose. The standard of Games and Sports made great progress.

The students played Net-ball, Tenni-koit, Throw-ball, Badminton, Base-ball, Table-tennis etc. Besides this, they also participated in various sports as well.

The College was selected as venue for the University Tournaments for Girls, 1957, and as such the Tournaments were held at the College from 21.11.57 to 29.11.57. Thirteen colleges in Rajasthan participated. All the participants were accommodated in the College building.

The following students were awarded 'Stars', 'Colours' and 'Appreciation Certificates' at the University Tournaments :—

Mrs. Chand Kunwar, Miss Asha Bakshi, Lata Kapoor, Punam Kunwar, were awarded 'Colours' in Badminton, Net-ball, Kho-kho, Throw-ball, respectively. Miss Anant Kunwar was awarded a Star at Net-ball. Appreciation Certificates were awarded to Miss Santosh Kapoor, Miss Manjula, and Miss Manorama Myer, in Soft-ball and Kho-kho.

Besides this, Colour was awarded to Miss Punam Kunwar & Appreciation Certificates to Miss Anant Bhatti & Mrs. Chand Kunwar in sports as well.

The College took part in the various major and minor Games and won the General Championship Trophy and Runners' Shield and also won in major games, e. g. Soft-ball, Net-ball, Throw-ball and Badminton Singles.

Various Inter-Class matches were also organised in Games and Sports in the College during the year and Cups were awarded to the Winners.

10. Scholarships and Stipends etc :—The following students were awarded Scholarships and Stipends as noted against their names :—

1. Mrs. Prem Lata Varma—Scholarship—From the secretary, Scheduled Castes and Scheduled Tribes & other

Backward Classes, Govt. of India, Ministry of Education, New Delhi.

2. Miss Ved Kumari Bhasin—Scholarship—From the Rehabilitation Department, Govt. of Rajasthan, Jaipur.
3. Miss Veena Sharma—Scholarship—From the Secretary, Soldiers' Board, Govt. of Rajasthan, Jaipur.

11. Extra-curricular Activities :—The College Union functioned on sound lines under the able guidance of Miss Thankamma. P., Director of the Union. The President and the General Secretary, Mrs. Sita Bhatnagar and Miss Kamla Kumari, performed their duties to the entire satisfaction of the staff and students. Several Associations, working under the Union, organised Paper Reading, Discussions, Wall-papers and Symposia in various subjects.

Two students of the College, Miss Kamal Kumari and Miss Govind Kunwari, participated in the English Debate Competition held in the Government College, Ajmer and won prizes. Miss Usha Vij and Miss Raj Karni won the first prize in two debates organised by the local Associations.

The Study Circle was very active throughout the year and fulfilled its multifarious duties in several ways. Famous and learned Scholars were invited to deliver lectures on various interesting and useful subjects.

Writing of articles on various topics, such as History, Political Science, Economics, Philosophy and Literature, both in Hindi and English was encouraged.

The Literary Associations which had a vigorous and eventful life under the guidance of Miss Thankamma. P., Mrs. Kamla Bhandari and Mrs. Vadehra, succeeded in creating a taste for Literature among the students and in inspiring in them a love for its beauties.

The Economics Association organised very interesting Quiz programmes under the able direction of Miss K. Dube.

Papers on various historical subjects, some of which had some research value, were organised by Mrs. Bharadwaj, who took great interest in the History Association.

The Dramatic Association was most active at the time of the University Tournaments held in this College. One-act

Plays both in Hindi and in English, Fancy Dressings, Comics, Classical Music, Dances, Group Singing and Group Dances were organised.

All important national festivals and the days associated with the National Heroes, Leaders and Poets were celebrated by the Students and Staff of the College with the old students who also co-operated. In all these functions Music programmes were organised under the directions of Mrs S. K. Varma, Lecturer in Music. Students took part in various Music competitions, both vocal and instrumental, and won prizes.

N. C. C. :—A number of students were enrolled as N. C. C. Cadets in July. It is worth appreciating that the new troop was raised to its full strength when the total number of students of the College was not even thrice the total number of N. C. C. Cadets.

In the month of August, the Circle Commander Lt. Col. Shri Raj Singh visited the Unit and encouraged the Cadets. N. C. C. activities started in the full swing in the month of August. The Cadets participated in the ceremonial parade of the Independence Day and Maj Gen Shri Jai Dev Singh presented an 'Appreciation letter' to the Cadets of the College. The month of September was a busy one for the cadets in connection with attending the Annual Camp. The N. C. C. cadets attended the Annual Training Camp held at Pilani from 1st to 12th October, 1957. The troop was declared to be the 'Best Troop' in the Camp. In the month of November, the Cadets presented a 'Tattoo-Show' to entertain the students of various colleges, who participated in the University Tournaments for Girls, 1957, held in this College. The N. C. C. Day was celebrated on the 2nd December, 1957. The cadets participated in all the activities of the Day, including the ceremonial parade, Games and the Cultural Programme. The Officer Commanding, Capt. Himmat Singh, declared the College troop to be the best amongst the Senior Division N. C. C. of boys and girls.

On 12th January, 1958, the Examination of part G. I. was conducted. Maj. K. M. Banik was the Presiding Officer of the Examination Board. Ten Cadets appeared in this Examination and the result was hundred per cent. On the 19th January, 1958, the Circle Commander, Lt. Col. Raj Singh with Capt. Keshri

Singh came for the annual inspection of the College Unit. In the same month two of our Cadets, Miss Kaberi Bhattacharya and Miss Basant Kumari Baid were sent to participate in the Republic Day contingent at Delhi on 26th January, 1958.

12. Hostel :—A building on the Gajner Road near the College was purchased by the Government for the Girls' Hostel in March, 1958.

During the year under report there were 13 Hostellers, who lived in the College premises as usual.

13. Discipline :—Special care was taken by the Principal and members of the Staff to foster and develop good behaviour and discipline among the students. From the discipline point of view, the whole College is divided into groups of students taken from various classes. A Lecturer is in-charge of one group, who gets the grievances redressed and inspires in them love for discipline. There were excellent co-ordination, respect, and mutual friendliness between the students and the Staff.

R. P. Shastri,
Principal.

6. Finances:—The College is financed by the Govt. of Rajasthan. The total expenditure incurred by the College during the year was 2,07,165/-.

7. Buildings:—The College is housed in a magnificent building donated by Seth Kanehia Lal Lohia. Necessary additions and alterations were made in the building for housing B. Sc. Laboratories in Physics & Chemistry.

8. Library and Reading rooms:—1159 Books were added to the Library during the year under report thus increasing the total number of Books to 5653 at the end of the session. The number of volumes issued during the year was 3332-2316 to the students and 1016 to the members of the staff. The average number of books issued to each student was 8.

The Reading-room was provided with 89 journals.

The Students Helping Library provided Text Books for free use of the poor and deserving students. It had 553 books including 75 added during the year. 260 Books were issued to 86 students.

9. Games and Sports and Medical Examination :—Games are regularly played by all the students. The College participated in the Rajasthan University Zonal Tournaments held at Bikaner.

At present there is no arrangement for medical inspection of the students.

10. Scholarships, Stipends, Medals and concessions in fees :—No student of the College was in receipt of University Scholarships, medals etc.

11. Extra-curricular and Social Activities :—

- (a) The College Union functioned during the year and celebrated all the days of national importance and the Annual week.

Weekly prayer meetings and Spinning were held in the Gandhi Mandap, where Gandhian Literature and other allied books for religion and moral Education were kept in an open shelf for the free use of all concerned.

Union work was disturbed once during the session when the Elected President resigned for lack of co-operation from the students, who had elected him and a bye-election had to be held. Pure democracy does not seem to suit an educational institution.

- (b) An extension lecture on "Psychology of Rumour" was delivered on 22-1-58 by Sri Chand Mal Sharma, Lecturer, University Department of Philosophy, Jodhpur.
- (c) An One-Act Play and other items such as Music, Variety Show etc. were staged under the auspices of the Union.
- (d) A full Independent Company of N.C.C. was sanctioned to be started from July, '57, but enrolment of students could not be held during the year for lack of equipment and the necessary staff. It is expected to function regularly from July, 1958.

12. Hostels :—The Hostel is housed in a huge and magnificent two-storeyed building with 130 rooms, well fitted with electricity and water and modern sanitary arrangement. The number of boarders during the year was 230. A Radio set was installed in the Hostel Common room Indoor games were also provided. The Hostel has its own Reading-room.

13. Discipline :—General Discipline of the College continued to be satisfactory.

14. General :—The College has been developing and expanding with the increase in the number of students every year.

R. S Gupta,
Principal.

The Reading-room remains open during College hours. The total number of books in the Library is 6624. Books worth Rs. 1373/- were purchased during the year and Rs. 795/- was spent in providing Magazines and Newspapers for the Reading-room. The total number of books issued during the year was 4353.

9. Games and Sports :—Arrangements exist for Football, Volley-ball, Hockey, Cricket, Tennis, Badminton, Kabbadi, Races, Jumps, and other sports and Physical exercises like Lathi, Lazim and Dumb-bells etc. There is a qualified Physical Instructor and games are compulsory. Rs. 3255/- was spent on providing these facilities.

10. Scholarships etc. :—A sum of Rs. 184/- was spent on scholarships.

11. Extra-curricular and Social Activities :—All the students and members of the Staff took part in the various activities of the College. Besides other usual activities, a Sangeet Sammelan and a Kavi Sammelan were held during the session with great success. The Union also published a College Magazine. A better organisation of the Audio-Visual Educational Society resulted in very satisfactory work during the session. A regular feature of the Society was screening films of educational value every Saturday for the benefit of teachers and students. Some class-lesson films were also used by a few teachers in order to make the teaching more effective.

12. Hostels :—There are two Hostels attached to the College, Hostel No. 1 and Hostel No. 2, with 56 students. Mr. Gopal Singh Verma, B.A., is the Warden of Hostel No. 1 and Mr. Prakash Chandra Tiwari, M.Sc. of Hostel No. 2. The Hostels are maintained by the College and all are under the supervision of the Principal. The Hostels did not charge any fee for water and service and levied a nominal charge by way of room rent. Rs. 1486/- was spent on the Hostels in the year 1957-58.

13. Discipline :—The general tone and discipline of the institution continued to be excellent.

(ii) A similar lecture was delivered by Dr. N. R. Dhar, Director, Sheila Dhar Institution of Soil Science, Allahabad, on "World Food Situation and its Improvement" in the College campus on 10th and 11th January, 1958. The lecture was very instructive and was attended by a large gathering.

(g) **MAGAZINES:**—During the year under review a College Magazine was published.

(h) **N C C. :**—The N.C.C. of the College did good work under the command of Capt. Tehal Singh, Officer Commandant, 3rd Rajasthan Bn N.C.C., Jodhpur. There were 150 cadets on the rolls in the Jaswant College Company of the Battallion. Our cadets participated with zeal and interest in the Annual training camp

12. Hostels:—There are 4 hostels attached to the College of which two are housed in Govt. buildings and other two in rented buildings. 168 students resided in the hostels and their activities were well organised. The management of the hostels is directly under the Principal and day to day are looked after by the Wardens.

13. Discipline:—In the begining of the session, a strike took place on account of increase in the fees by the Government,

but inspite of this the tone of discipline was satisfactory during the year.

14. General:—This is the largest institution in Rajasthan, teaching science subjects upto Post-graduate and Research standard. Law classes are also attached to this institution which are held in the evening. There is great emphasis on academic activities in the Institution owing to which examination results have been gradually improving during the last few years. The general tone of discipline in the College is fairly satisfactory and there is a growing feeling amongst the students that they should work for the Institution to maintain its high traditions.

The UNESCO has also made grants for research Arid Zone to the Botany & Zoology Department of the College and work is going on. A scheme for further development of the College is to start M. Sc. classes in Physics and LL. M. classes from next session, if approved by Government.

Shiva Raj Bahadur,
Principal.

19. Rajasthan College, JAIPUR.

Introduction :—The Government of Rajasthan had been seriously confronted with the problem of the poor performance of the Rajasthan students at the All-India competitive examinations. The Government were also conscious of the fast deteriorating standards of education. Accordingly, the Government decided to launch a new experiment in education and established Rajasthan College.

The College started functioning from the 22nd August, 1957. Admissions were restricted to students getting 50% or more marks at the last public examination.

The original idea was to start Arts and Science classes simultaneously. This was however, not possible due to lack of availability of buildings. Only Arts classes were started during the year under review.

1. Control and Management :—Subject to the general control of the Government of Rajasthan, a Governing Council is the chief executive body responsible for general administration, control and supervision. The Chief Minister of Rajasthan is the Chairman of the Governing Council while some other eminent educationists and administrative officers are its members. The Principal is the Member-Secretary of the Council.

The establishment of the College has been sanctioned under the Second Five Year Plan and is in the first instance, up to the 28th February, 1961.

This being the first year of the establishment, only the first year Intermediate and first year degree classes were formed. For B. A. the College is affiliated to the University of Rajasthan while for Intermediate it is affiliated to the Board of Secondary Education, Rajasthan, Jaipur.

2. Enrolment :—At the close of the session, the number of students was 52 as per details given below :—

	Boys	Girls	Total
First Year	18	1	19
Third Year	27	6	33
Total	45	7	52

Number of students offering various subjects was as under:—

	FIRST YEAR		THIRD YEAR	
	Boys	Girls	Boys	Girls
English Literature	7	1	14	4
Hindi	7	—	9	2
Economics	10	—	13	1
Political Science	—	—	19	4
Civics	14	—	—	—
History	6	—	6	3
Sanskrit	2	1	10	1
Philosophy	—	—	9	3
Logic	1	1	—	—
Mathematics	7	—	1	—

Except for teachers of English, this staff is sufficient for the year. Additional staff will be needed when pressure of work increases due to formation of final (Second year classes in Intermediate and B.A.) classes.

4. Finances :—Rajasthan College is financed entirely by the Rajasthan Government. The budget for the year 1957-58 amounted to Rs. 2,40,000. The following were the details :—

	Rs.
Pay of Officers	49,600.
Pay of Establishment	23,460.
Allowances and Honoraria	15,072.
Other charges (recurring)	59,118.
Other Charges (non-rec.)	91,000.
Printing and Stationery	1,750.
Total	<u>2,40,000.</u>

Besides, a sum of Rs. 4,00,000 was provided for Capital expenditure on buildings.

5. Scholarships, Stipends & Fee Concession :—During the year under review, the Government of Rajasthan awarded seventeen merit-cum-need stipends of the value of Rs. 40/- p.m. each to seventeen deserving students of the College. The University of Rajasthan awarded a merit scholarship of the value of Rs. 25/- p.m. to a student of B. A. 1st year class. One student of B. A. 1st year class received financial assistance from the Board of Scheduled Castes and Scheduled Tribes, Ministry of Education, Government of India.

The following fee concessions were given :—

	<i>Intermediate Ist Year.</i>	<i>B.A. Ist Year.</i>	<i>Total.</i>
Freeships	3	14	17
Half-freeships	1	3	4
			<u>Total ... 21</u>

As the College had started late in the academic year, fees paid in former institutions by students joining this College were allowed to be adjusted.

All concessions available in other Government institutions are available in Rajasthan College also.

6. Methods and standards of teaching :—Tutorial classes are compulsory. Every student meets his teacher at least once a week for writing work in every subject. These tutorials are on the lines of University seminars consisting of not more than six students some times even less. Notes are not dictated nor are these tutorials a place for correction of answers. Habit of writing, originality and initiative are encouraged. These are supplemented

by seminars, symposia and extension lectures. Personal contacts are maintained between students and teachers.

7. Buildings and Equipment :—An extensive site in Gandhinagar, adjacent to the University, has been selected for the buildings of Rajasthan College.

The College has been housed temporarily in a loaned building belonging to the Deaf and Dumb Institute on the Sawai Man Singh Highway, Jaipur. A building named Kaisargarh has been taken for the Hostel on a monthly rent of Rs. 1260/-. The two buildings, the College and the Hostel, stand on either side of the Sawai Mansingh Highway.

Kaisargarh has the appearance of a mediaeval castle. It is however, fitted with all the modern amenities. Besides the Warden's residence, it has accommodation for nearly 30 students. The rooms are fairly good, ten being used as double seats, one as a single seat and two halls have three to four seats each. There are separate buildings to serve as kitchens and dining rooms and still others to serve as servants' quarters. There are no adequate play grounds attached to the College.

The buildings have somehow fulfilled the needs of the College for this year but they will be most insufficient next year when final Intermediate and Degree classes are formed. It is expected that the P.W.D. will provide additional accommodation in 1958, and there will be no cause of complaint on account of insufficiency of accommodation.

8. Equipment :—The class rooms and the Hostel are properly equipped.

9. Library :—The Library has the following sections:—
English Literature with a number of sub-sections like fiction, drama etc.

Hindi.	Philosophy and Psychology.
Economics.	Mathematics.
Sanskrit.	Geography.
History.	Generalia.
Politics.	Reference books.

Text books from a section by themselves.

Dr. Ranganathan's scheme of book numbers and Colon classification system is followed. It works on open access system

Dictionary catalogue including author, title and subject cards is under preparation. Books are issued on the readers' ticket system. About 30 books are issued per day. Besides the library books, a large number of dailies, monthlies and other periodicals are subscribed.

For lack of accommodation, both the Library and Reading-room are located in one and the same room. But this does not seriously distract the studies of students as the number this year is rather small. It will be a handicap when the number of students becomes large.

Every student and member of the Staff is entitled to become a member of the Library. Two books at a time are issued to Intermediate students and three to Degree students. Reference books are not issued on loan. The working hours of the Library correspond to those of the College.

10. Games & Sports :—Games are compulsory for boys and girls. While the primary aim of the College is the intellectual development of the students, the physical development is not lost sight of. A number of out-door games like volley-ball, tennis, badminton, baseball and football, etc., are provided. Sports like jumps of various kinds, javelin-throw, discuss-throw, hammer-throw, etc., are also provided. In addition a number of indoor games are provided. Physical efficiency tests have been planned and systematic follow-up programmes suiting to individual requirements are envisaged. Every student has to undergo medical tests and regular check-ups.

In the absence of playing fields, arrangements for playing football have been made with the Medical College authorities on their playgrounds on some days in the week.

11. Examinations :—Terminal examinations have been abolished. Their place has been taken up by monthly periodical tests conducted by class teachers during lecture periods. A great advantage of the system is that the students instead of deferring their studies to the very proximity of the annual examinations continue their studies regularly and systematically throughout the year. Promotion to the next class depends on the marks obtained in the annual promotion examination together with those obtained in the monthly tests and also for games and sports and general behaviour. Rank in the class is determined by the total

marks obtained in the annual promotion examination and the monthly tests.

12. Extra-curricular Activities :—The College aims at not only achieving brilliant academic results in public and competitive examinations but also at all-round development of the students including good citizenship and leadership in society. In order to achieve this a large number of extra-curricular activities are provided. Inter-alia these include literary activities such as writing, debates, seminars, symposia, union activities, educational tours, performances in music, dramatics and other fine arts. These are organised under the guidance of the teaching staff. A very close contact is thus maintained between the teachers and the students.

While the teachers allow the academic development to remain the basis for the development of the students they try to evolve the full personality of each student. The place of the individual in society is kept in sight. The development of intellect, character, efficient discipline, etc., is persistently watched. The following are some of the achievements :—

At the inauguration of the Union, the College staged two very successful plays and gave exquisite musical performances. The Rajasthan College Times is published every fortnight. The College won two trophies one in English and the other in Hindi at the "All India Scindia Inter-University Cultural Contest" at Gwalior. The College won also the S. S. Mathur trophy at Ajmer. The College organised a charity show in aid of poor students and collected over Rs. 700/-.

Extension lectures by distinguished lecturers were delivered from once a week to once a fortnight on various subjects.

13. General:—As already mentioned the College is managed by a Governing Council. This being the first year, it has not been possible, on account of various technical objections, for the Governing Council to function as autonomously as it should have functioned or as was originally intended. But steps are in progress to establish the full autonomous authority of the Council at a very early date.

For various reasons, particularly the non-availability of suitable buildings, it has not been possible to establish within the current year the complete residential nature of the institution

which was aimed at. But it is hoped that the construction of buildings will be expedited. When this is done, progress is expected to be accelerated.

In the early part of the session, due to late appointment of staff, classes particularly in Economics and English had to be run with the assistance of part-time lecturers from other Colleges. This was a great handicap. Full staff was, however, appointed towards the latter part of the year.

S P. Varma,
Officiating Principal.

20. Sawai Man Singh Medical College, JAIPUR.

Brief Historical Background :—The S. M. S. Medical College, Jaipur, was started, to meet the requirements of Medical Personnel of the various States in Rajputana by the then Jaipur State in August, 1947 as one of its development schemes. The first batch of students graduated from this College in April, 1952. With the formation of Rajasthan this Institution has been included by the Government in its Development Schemes under the First and Second Five Year Plans and is still under development.

The Degree is recognised by the Medical Council of India as well as by the General Medical Council of Great Britain.

Post graduate Classes in various subjects were also started in this College from July, 1952 and the first batch appeared in the University Examinations in 1955.

Total	Rs. 7,52,700/-	Rs. 6,00,504/-
Non-recurring.	Rs. 90,875/-	

The College is under the expansion Scheme of the Second Five Year Plan and as such a part of the expenditure is met by the Government of India.

7. Buildings :—The following construction works were undertaken in the College and its attached Teaching Hospitals:—

1. Isolation Ward for 10 beds
2. Students Wards and Cottage Wards
Sawai Mansingh Hospital.
3. Additions and alterations to 'Boys and Girls Hostels.'
4. Senior Boys Hostel-Front Wings only for 50 students.
5. One kitchen and Dining Halls.

and it is expected that these will be completed by the end of 1958.

8. Library :—Books and Journals worth Rs 23,000/— were purchased. The number of Journals that were subscribed by the College was 150 on medical and allied subjects.

9. Equipment :—Equipment worth Rs. 90,875/— was purchased and supplied to various departments. Besides, equipment worth Rs. 90,000/- was obtained through T.C.M. (USA) for the development of various Departments for Post-graduate studies and Research.

Some of the Departments mostly non-clinical have been developed on modern lines and possess equipment for Research and Post-graduate studies. A good deal of equipment for development of various specialities in the clinical department is urgently needed.

10. Scholarships and Stipends :—Students of various classes, whose guardians were getting basic pay less than Rs.250/— in the service of the Rajasthan Government, were granted freeship.

Study loans worth Rs. 65,325/- and merit scholarships worth Rs.21,800/- were awarded to the students by the Government of Rajasthan.

The Government of India also awarded scholarships to displaced students and members of the Schedule Castes and Backward Classes.

The University of Rajasthan also awarded scholarships to the students of the College securing the highest marks in various M.B.,B.S. Examinations as under:—

First M B., B. S.	Rs. 30/- p. m.
-------------------	----------------

Second M.B., B.S.	Rs. 30/- p. m.
-------------------	----------------

The first two students securing highest marks in Final M.B.,B.S. Examination were awarded Gold Medals by the University.

11. Games and Sports:—Facilities for all sorts of games (Indoor and Outdoor) were provided and the recurring expenditure of Rs. 5,000/- was in addition to the collection of Rs.4,500/- as games fee. Students participated in various tournaments etc.

The College also organised the University Zonal Tournaments in which 24 Colleges participated.

12. Research Activities:—A number of Research enquiries were conducted in various Departments-particularly in the Departments of Physiology including Biochemistry, Pharmacology, Pathology and Bact. and Medicine and nearly 50 papers were published in local and foreign journals by the members of the Staff.

Following enquiries of the I. C. M. R. were also conducted during the year under review:—

Department of Medicine:—

- (i) Investigations into the role of allergens and various other factors in the production of Bronchial Asthma in Rajasthan in general and in Jaipur area in particular under Dr. R. M. Kasliwal, Professor of Medicine.
- (ii) Effect of intravenous crude liver extract in experimental Cirrhosis liver under Dr. L. R. Sarin, Professor of Clinical Medicine.

Department of Pathology:—

- (i) Enquiry on Experimental production of Pheumoconiosis and Emphysema, under Dr. R. K. Goyal, Professor of Pathology.

6. Finances :—The College is financed by the Government of Rajasthan.

7. Building :—Four additional class rooms were constructed last year. The building is not sufficient for the needs of the college, and as such, the college runs in two shifts—Arts classes in the morning and Commerce classes in the day.

8. Library and Reading-room :—The average issue of books is 255.6 per day. And the average issue of library books and magazines is roughly 5 per student in a year.

9. Games, Sports and Medical Examination :—The College Basket-ball team won the Championship at the Rajasthan University Zonal Tournament for West-Zone held at Dungar College, Bikaner, in November, 1957, and were runners-up at the University Central Tournament held at Bharatpur.

Shree Jairam Choudhary was awarded the University Badge for his proficiency in Basket-ball.

Two Footballers of this college Shri Lakhsingh and Shri Narain Singh, represented the Rajasthan University at the Inter-Varsity Championship meet in Football held at Bareilly. Similarly, two Athletes from this College, Shri Kishan singh and Shri Goverdhanprasad Asopa, were selected by the University of Rajasthan for participation in the Inter-Varsity Athletic Meet held at Poona.

Shri Mohansingh distinguished himself in the 5000 Metre's Race in the National games held at Cuttack.

Shri Har Narain Sippi represented Rajasthan at the Table-Tennis Tournament held at Lucknow in connection with the All-India Youth Congress.

The College Football team won the trophy at the Local Marwar Football League Tournament.

One of our boys, Shri Basant Kothari, had the distinction of being selected for participation in the Table-Tennis Championship meet at Colombo in December last.

Medical Examination :—The students are medically examined once a year i. e. at the time of admission. There is a separate dispensary in the College premises specially meant for the use of the College students.

10. Scholarships, Stipends, Medals and Concession in Fees :—60 students of scheduled castes or tribes and backward classes of this College were awarded scholarships by the Rajasthan and Central Governments. Some students were awarded merit-cum-need scholarship by the Government of Rajasthan 119 students were awarded full Free-ship, and 116 Half Freeship during the year. From this year, in terms of the order of the Rajasthan Government, 215 students whose guardians were Government servants getting a salary of Rs. 250/- or less p.m. and were in permanent Government service were exempted from paying tuition fees.

11. Extra-curricular and Social Activities :—A four-day Cultural Festival was organized as usual in the second week of January. The programme contained interesting items of music, drama, folk-songs and folk-dances.

As a part of the Festival All-India English and Hindi Debates, as well as a Drama competition were held.

The following societies and associations were also formed at this College, most of which were associated with the Students' Union.

- (i) Economics Association.
- (ii) Commerce Association.
- (iii) English Association.
- (iv) Hindi Association.
- (v) Philosophy Association.
- (vi) History Association.
- (vii) Political Science Association.
- (viii) Urdu Association.
- (ix) Music Association.

The Music class which has been in existence since the very inception of this college in 1954, and is being run on no-profit-no-loss basis, and is occasionally subsidized by the College has now taken root and fulfils an important need of giving instruction to students in Tabla, Violin, Harmonium and Flute. This year the club has extended its activities to include an annual competition in classical, light classical and light music during the college cultural festival.

National Cadet Corps (3rd Rajasthan Battalion) :—

No. of Cadets	158
No. of Officers	4

Four Cadets from this College, Shri Narain Singh, Shri Bhagirath Singh, Shri Daulat Singh and Shri Narpat Singh, took part in the All-Rajasthan Rifle Shooting Competition for East Roberts and Burdwan Trophy, held at Jaipur and this team stood Second.

One of the Cadets Corporal Bhawani Singh was selected to participate in the Republic Day Parade held at Delhi on Jan., 26, 1958.

One of our officers, Lt. G. K. Vyas has been appointed a whole-time Adm. Officer in N. C. C. and has been attached to 2nd Rajasthan Battalion at Kotah for a period of 5 years. Another officer from this College, Capt. M. C. Gupta was detailed to command the Ceremonial parade of 3rd Rajasthan and Bikaner Independent Company at the close of the Annual N. C. C. Camp held at Bikaner in December, 1957.

12. Hostels :—There are 5 hostels attached to the College, though not one of them can really be said to conform to the accepted standards of a hostel. The Govt. may be well-advised to find ways and means to build one for 200 students instead of spending about Rs. 2000/- per month on the maintenance of rented buildings as hostels, situated in different parts of the town, and most of them without any residential accommodation for Wardens.

13. Discipline :—The boys were well disciplined during the whole session. There were strikes in protest against the enhanced rate of fees but these were peaceful.

R. S. Kapur,
Principal.

25. Maharaja's College, JAIPUR.

1. Control and Management :—The College is maintained by the Government of Rajasthan, Jaipur. Dr. S. D. Arora worked as Principal and Dr. R. R. Kasliwal as Vice-Principal during the session.

A new Hostel building worth Rs. 1.5 lacs has been sanctioned by the Government in the Budget for 1958-59, and it is hoped that its construction will be undertaken by the P. W. D. in the near future. A sum of Rs. 50,000/- has also been sanctioned for the repair of the old building of the hostel, etc.

8. Library and Reading-room :—The Library is under the charge of a trained Librarian. The grant for the library for the year was Rs. 5000/-. Half of this amount was spent on library

furniture and half on books and periodicals. The average issue of books per day to the students and the staff was 25. The average issue to each student was 12.

9. Games & Sports and Medical Examination :—Much was done this year for improving the games of the Institute. Purchase of games materials worth about Rs. 2000/- was made to equip the games section of the Institute. Even articles for gymnasium like parallel bars, horizontal bar etc. were added to the Section. The Institute could arrange games of Football, Volley-ball, Cricket, Badminton, Deck Tennis etc. for the students. In January 1958, Games and Sports week was celebrated, and students zealously participated in various items of games and sports. To the winners, prizes were awarded. Medical examination of the students has been arranged and will be enforced from the next year.

10. Scholarships, Loans, and Free-concessions :—On the basis of merit-cum-poverty 11 students received full freeship and 5 half-freeship amounting to Rs. 1716/-. A University scholarship of Rs 300/- was awarded to one student on merit.

11. Extra-curricular Activities :—

(a) **COLLEGE UNION :—**The Students' Union continued to work under the supervision of the Principal, Dr. K.D. Baweja and the Staff Advisor, Dr. K.N. Prasad and after October 1957, Dr. H.N. Mehrotra. On 10-9-57 Dr. N. Prasad gave a talk to the students on "Life in an American University". Mr. Saxena spoke on "Atom and its peaceful uses". The 15th August and the Republic Day were celebrated in a very befitting manner. In January, 1958, the Union week was celebrated. The Republic Day was the prize distribution day and the function was presided over by Dr. K.D. Baweja, Principal.

(b) **EDUCATIONAL TOURS :—**The II year, III & IV Year classes went on separate educational tours. Their aim was to see mechanized farms Poultry and Dairy Farms, Afforestation Centres, Cattle Breeding centres etc. The important places visited were Jaipur, Jodhpur, Bikaner, Suratgarh, Hissar, Delhi, Agra, Kanpur, Banaras, Lucknow, Bareilly and Dehradun. A sum of Rs. 2800/- was given by the Government for this purpose.

(c) **N. C. C. :—**The Government has allotted one unit to this Institute and hence next year we hope to give N.C.C.

training to our students. Shri B.M. Gupta, Lecturer in Plant Pathology, has been selected for the pre-commission training.

(d) **DISTINGUISHED VISITORS** :—The following distinguished visitors came to the Institute during the academic year under report on dates noted against each :—

6. Finances :—The College is financed entirely by the Birla Education Trust and the annual recurring expenditure is met out of the income from tuition fees and the grant made by the Birla Education Trust. The total recurring expenditure in 1957-58 was Rs. 1,04,085/-. The entire equipment and furniture of this college is provided by the Trust over and above the budget grants.

7. Buildings :—An additional wing consisting of 6 Class rooms and 4 staff rooms for the Heads of Departments has been added to the existing accommodation.

8. Library and Reading-room :—The Birla Central Library which serves the three colleges of Engineering, Science and Commerce and Arts is run by the Birla Education Trust. It is very well equipped and stocked with the latest books and publications. The total number of books is 63,717. The number in the Arts Section is 31,397. The reading-room subscribes to an exceptionally large variety and number of Indian and Foreign newspapers, periodicals, journals and magazines. The Arts College students are expected to utilize their free periods in the library. The total number of books issued to the Arts Section was 9972. The average number of books issued per student in the Arts Section was 74.3. A sum of Rs. 11,566.00 was spent on the Arts Section alone this year. The total number of periodicals subscribed to was 209, out of which 86 belong to the Arts Section.

9. Games, Sports and Medical Examination :—Physical Training is compulsory for all the students. Ample facilities are provided for Football, Hockey, Volleyball, Cricket, Basketball and Tennis.

P. T. and A. C. C. are compulsory for all the students in the evenings. The girl students have their separate playgrounds attached to their hostel within the extensive premises of the Birla Balika Vidyapeeth.

In the Inter. Institutional Sports held on the Founder's Day, Basant Panchami, the Individual Championships both in the boys' and girls' sections were won by the students of the Arts College, Lakshmi Narain of the III year and Raj Rani of the II Year.

Major Dhyan Chand, the Hockey Wizard, was deputed to Pilani for a month to coach Hockey players of all the Institutions, and in the Vidya Vihar Hockey team which entered the All India Dhyan Chand Hockey Tournament at Delhi, five players were from the Arts College.

Shri Vajifdar, a Cricket Coach from Bombay, coached Cricket players of all the Institutions for 4 months. Shri M. C. Dhawan, Director of Athletics, was here for a month. The Coaching schemes have immensely benefited the players and athletes in our Colleges and have considerably raised their standard. It is the intention of the authorities to make such coaching an annual feature.

The Arts College A. C. C. went out on a route march-cum picnic. All the members of the Staff and students took part in it. The outstanding items of the Picnic were the demonstration on Patrolling and the Drill competition.

10. Scholarships, Stipends, Medals and Concessions in Fees :—

- (a) Merit Scholarships:—A merit scholarship is awarded to the best student in each class. For the Intermediate and B A. classes the amount is Rs 15/- per month and for the M. A. Classes it is Rs. 20/-.
- (b) 35 Scholarships were awarded by the Birla Education Trust. The total amount for the Scholarships was Rs. 4,820/-.

Besides the above scholarships, 4 studentships also were awarded.

11. Extra-curricular & Social Activities :—The College Union is the Central Organisation of the College and is run by the students themselves with an elected student President, a Vice-President, a Secretary and Class Representatives. There is a Prof. in-charge to guide and advise them when necessary. The Union carried out a full and varied programme of debates, lectures, symposia, oratorical contests, dramas and concerts. A Youth Festival organized by the Union on a class-wise basis evoked great enthusiasm and response among the students.

The students' Union was inaugurated by Shrimati Lakshmi Menon, Deputy Minister for External Affairs, with a talk on the 'Fundamental Unity of India.'

Shri Dina Nath Dinesh, the well-known Katha Vachak and Scholar, gave us a recital of selected verses from the Ramayana on the occasion of Tulsi Jayanti.

Mrs. Nava Ratnam, the Head of the Women's Education Department, Ceylon, gave us a lecture on Ceylon and its people.

Dr. Lokanathan, Director General of the National Council of Applied Economic Research, gave a series of brilliant talks to the Post-graduate Economics students on Deficit Financing, the Role of Foreign Investment and Recent Economic Trend.

Count Keyserling, the well known German Philosopher along with his wife spent a month here as our guests and gave a series of lectures under the auspices of the Philosophy Department, and also held a symposium on the "Concept of Freedom."

Prof. Bradley, Prof. of Political Science at the University of Syracuse, United States, addressed the Union on 'Factors that mould the Foreign Policy of the United States'.

Shri Agnihotram Tatacharya, a Sanskrit Scholar and profound student of the Vedas, gave us a talk on Vedic studies.

The College Post-graduate study circle functioned very actively. The study circle meets regularly to discuss current affairs. Every Post-graduate student reads at least one paper a year. Many distinguished guests addressed our study circle and conducted seminars.

The Arts College N.C.C. Platoon was adjudged the best in the Inter-Platoon competition held on the N.C.C. Day.

In the N.C.C. Camp recently held at Bharatpur, Mool Chand a student of III year Arts, was adjudged the best cadet.

In the Inter-Institutional Music Competition organized by the Engineering College both the Trophies awarded for individual items and group items were won by the students of the Birla Arts College.

12. Hostels :- The majority of the students reside in hostels. The Arts College students and the Science College students reside in the New Hostels and the Rajasthan Hostel. A senior Prof. is the Chief Warden, and he has assistant wardens under him. The Rajput students have a hostel of their own, the Rajput Hostel. The College girls have a separate hostel in the

premises of the Balika Vidyapeeth, which is under the direct control and supervision of the Lady Principal.

13. Discipline :—Discipline was well maintained throughout the year.

14. General :—The Birla Arts College is a co-educational Institution and has a mixed staff. It has built up a sound and healthy tradition of co-education.

Mrs. Devaki Upadhyaya,

Quite a good number of students will appear at the various Supplementary Examinations.

6. Finances :—The College is financed entirely by the Birla Education Trust. The Annual recurring expenditure is met out of the income from tuition fees and the grant made by the Birla Education Trust. The total recurring expenditure in 1957-58 was Rs. 4,65,444/- and the non-recurring expenditure Rs. 1,82,128/-.

7. Buildings :—The College building has 122 rooms, beside laboratories etc., a gas house and a workshop for general repairs and construction of scientific apparatus. There are several hostels providing accommodation for nearly 700 students. A hostel for women students providing accommodation for 40 has also been constructed.

8. Library and Reading-room :—The Birla Central Library, which serves the three collegiate institutions, College of Science and Commerce, College of Arts and the College of Engineering, is run by the Birla Education Trust and is perhaps the largest in Rajasthan. It is housed in a large hall specially designed for the purpose and is fitted up with excellent furniture. There is a representative collection of over 57,000 volumes excluding bound volumes of journals and reports.

In addition to the periodicals it gets regularly from Shri G. D. Birla, the library subscribes to 216 journals and periodicals as under :—

Dailies	6
Weeklies	46
Fortnightlies	16
Monthlies	101
Quarterlies	47

The periodicals are kept in a separate room and students have access to these as also to the back numbers which are kept in bound volumes, properly classified and catalogued.

The Library affords special facilities to research scholars and possesses a rich collection of rare and out-of-print reports and periodicals. It is an open-access library and has forty single seated seminars in addition to 116 general seats.

During the year 1957-58, 61690 books were issued for home use while 68914 were consulted on the library premises, the corresponding figures for the students being 46190 and 68838 respectively.

The Library had 1307 students members during the year. The average issue and reference per student comes to 35.3 and 52.7 volumes respectively.

9. Games, Sports, Medical Examination and Physical Education :—Evening physical activities were started on 22nd

July, 1957. P.T. was compulsory up to Degree Classes including Pharmacy. The games organised were hockey, football, cricket, volleyball, basketball, softball, tennis, badminton and tennikoit.

A track was laid out for athletics and regular training was imparted to the athletes.

Inter-Group Tournaments :—Students were divided into six groups for Inter-group activities. The following Inter-group tournaments were held during the session 1957-58.

1. Football.
2. Hockey.
3. Volley-ball.
4. Basket-ball.
5. Sports.

All the matches were conducted well and the winning teams were awarded cups and shields.

Inter-Institutional activities :

(a) Inter-Institution Aquatic Sports were held on 5th & 7th September, 1957. Our swimming teams put up a very good show as usual and won the trophy and the individual Championship was lifted by Mr. Hamir Singh.

(b) Inter-Institution Sports were held on 25th January, 1958. About 15 athletes from our College participated in the meet. We gave a neck-to-neck fight to the winning College but lost the Trophy.

(c) Inter-Institution gymnastic competition was held on 6th February, 1958. This time also our College team showed the supremacy and won the Trophy for the Second time in continuation. Mr. Ishwar Singh was judged as the champion gymnast, also for the second time in continuation.

(d) Inter-Institution cycle race was held on 9th February, 1958 and lifted the Trophy as usual.

(e) Inter-Institution cross-country races were held thrice during the year and we won the first two positions. Mr. Vasu Deo got the First place and Mr. Satya Narain the Second.

(f) Our College also took part in the Inter-Institution P.T. Competition.

10. University Tournaments :—We sent our hockey, football, cricket and tennis teams to Jaipur in October, 1957, to

participate in Rajasthan University Zonal Tournaments. Our students did very well in football and lost in semi-finals.

In the University Athletic meet, our athletes M/s. S. N. Verma, Hamir Singh and Bajrang Lal did very well. Mr. S. N. Verma stood first in Hop-step and jump and created a new record in the same. He also got the Second place in Long-jump. Mr. Hamir Singh got the Second place in shot-put. Mr. Bajrang Lal also did well by securing the Third place in 5000 meter race.

The College Annual Sports Meet was held on 14th January, 1958 in which about 100 men and women students participated.

11. Extra-curricular and Social Activities :—The Parishad was inaugurated by Kulpati Shri S. D. Pande. The College Dramatic Association presented two plays, one in Hindi and the other in English, on the occasion of the College Parishad and Hostels' Union inauguration on the 15th August, 1957. The English play "Sheriff's Kitchen" and the Hindi play "Damad" were staged on this occasion. The Hindi play was staged mainly by the women students of the College. The Chemical Society was inaugurated on the 3rd September, 1957, by the Principal, Dr. S. M. Mitra, who gave a very useful talk on "The Fundamental Particles". The Commerce Association was also inaugurated by Dr. S. M. Mitra on 15th October, 1958.

Post-graduate students of the department of Botany had been on a study tour to Bombay. Students from the Zoology department also went to the South. Pharmacy students went to Bombay during the Winter Vacation and visited a large number of laboratories. They also attended the All-India-Pharmaceutical Conference held there.

6. Finances :—The total income for the year was Rs.186717.6 and the expenditure during the year amounted to Rs.156262.42 nP.

7. Buildings :—Two more lecturer-ooms were constructed and repair works were carried out.

8. Library and Reading-room :—The College Library is well equipped. During the year under report about 2000 new volumes were added to the library. One of the members of the teaching staff was deputed, this year, by the institution for training at the short course in Library Science at Aligarh. One Professor is in charge of the library to give suggestions and help to the librarian. The Library remains open even during the summer vacation for the benefit of the staff and students.

9. Games, Sports and Medical Examination:—The College has extensive playgrounds. Games are compulsory for the students. There is one trained instructress in charge of sports and games. The teachers also take a keen interest in games. Every teacher has to be on duty on the playgrounds one day in a week. The students regularly play Net-Ball, Badminton, Tenikoit, Table-Tennis, Throw-Ball, Soft-Ball and Khokho. The students took part in the University Tournament and fared creditably well. Even though they did not win any cup it is very satisfying that in many items they came upto the finals and won 3 Colours and 3 Appreciations. Many friendly matches were conducted with the Colleges of this place also. Students were Medically examined. The cases needing treatment and attention were reported to the parents and followed up also. A record of the examination is maintained.

10. Scholarships and Stipends :—The institution gives free-ship to the deserving candidates. During the session under report 11 girls have availed themselves of this facility.

11. Extra-curricular and Social Activities :—These were carried on by the College Union, Societies and Associations. The students took a lively interest on the progress of the Union. A weekly Wall-paper was brought out under the auspices of the Union. Several competitions were arranged under the guidance of the Counsellor. The Union celebrated all the important festivals, hikes and picnics were also occasionally arranged.

*Study Circle and Extension Lectures:—*Symposiums were arranged by the associations and eminent persons from outside also participated in them. Regular meetings, discussions and other club activities were also arranged.

*Dramatic Activities:—*The students celebrated all important festivals at the College and enacted dramas suited to the

occasions. Independence Day, Janmashtami, Gandhi Jayanti, X-Mas, Nanak Jayanti, Id, Makar Sakranti, Basant Panchami, and 26th January were celebrated with suitable entertainments and cultural programmes.

N.C.C.:—For the first time N.C.C. (Senior Division) was introduced in the College. For the Parade of 26th January, the Senior division of this institution joined the armed section with rifles. It was very creditable for them to have come up to a high standard and they won the deserved applause. Though it was their first year at the Pilani Camp, they did wonderfully well in the competitions held among the various groups of the Cadets

12. Hostels:—The hostel has been shifted to another building provided with better facilities. There were seven students in the hostel. Students of the M.B. College which has no Girls' hostel, are also allowed to stay in this hostel. One of the lecturers worked as a Warden. Full attention is paid to see that the inmates of the hostel are happy and disciplined and provided with proper balanced and complete meals. The necessary medical aid is also provided at the hostel.

13. Discipline:—The discipline of the College throughout the session was good. It is worth mentioning that in the history of the institution, there has been no strike nor disturbance. When there was agitation all around the institution worked with absolute peace and order.

14. General:—The work of the institution throughout the session was very satisfactory. Towards the end of the session the institution applied for affiliation in the following additional subjects for B.A. examination:—English Literature, Music and Home Science. These classes are being started in the session '58-59'. The general atmosphere of the College during the year under report was very satisfactory.

7. Building :—No extension has been made in the college building during the session under review. The construction of the college hostel, for which a loan had been sanctioned by the Government of India, is about to be completed.

8. Library and Reading-room :—The College Library has a very good collection of books on various subjects of education and allied subjects. During the current year 369 new volumes

were added to the Library. Now the total number of volumes, journals and periodicals in the Library is as follows :—

Books	—	5509
Journals	—	1000
		<hr/>
Total		6509
		<hr/>

The Library has the open access system and remains open for 10½ hours a day in breaks to enable the students and the staff to make the best use of it. The books are issued to the members of the staff and to the M.Ed. students. A qualified librarian was appointed this year.

9. Games, Sports and Medical Examination :—The students were medically examined at the time of admission by a qualified doctor. He was also made available on the premises of the college hostel for the students. A full-time qualified Physical Director was appointed. In addition to regular games and P. T. classes, he supervised the organization of the following activities by the college union :—

- (a) P. T. show.
- (b) Tournaments :—
 - (i) President's Volleyball Cup Tournament.
 - (ii) Badminton and Table tennis Tournaments.
- (c) Inter-School Sports Meet.
- (d) Intra-mural Sports meet for the Teachers' College.
- (e) Mountaineering Competition.

10. Extra-curricular Activities :—

(i) An Orientation course was organized in the beginning of the session with a view to acquainting the new students with the social and cultural environment of Rajasthan with special reference to Udaipur. Six lectures were delivered under this course as noted below :—

<i>Speaker.</i>	<i>Topic.</i>
1. Shri K. L. Bordia.	The Ideals of Vidya Bhawan.
2. Dr. Blackman.	The Beauty Spots Around Udaipur.
3. Shri Chauhan.	The Rajasthan Village.
4. Shri K. N. Srivastava.	The Influence of Geography on Culture.
5. Justice Gurtu.	Administration in Rajasthan.
6. Rev. G. H. Singh.	The Mewar Tradition.

(ii) The Students' Union organized the following activities:-

1. (a) Lectures by eminent persons like Dr. K. L. Shrimali, Shri Dharendra Mazumdar, Dr Gore, Dr. Syed Ansari and Dr. Brewington.
2. A Kavi Sarmelan was organized on the Sharad Poornima on the college lawn. The local poets participated in the Sarmelan.
3. Jai Shanker Prasad's famous work "Kamayani" was re-written in the form of a "Roopak" and was staged in the College hall.
4. A Music and Dance competition was organized. Different Educational Institutions sent competitors to participate in the competition.
5. An educational fair was held on the Republic Day in which all the institutions of Vidya Bhawan collaborated.
6. A Planning Forum was instituted in the college. It organized lectures, debates and exhibitions.
7. Efforts were made to start an Old Boys' Association. Its constitution has been prepared.

(b) *The Organizers' Training Camp* :—Two Organizers' Training Camps under the scheme of the Government of India were organized at Gausunda in which all the B.Ed. students and members of the staff participated. They stayed there for fifteen days. The training programme included theoretical and practical work. As a part of the practical work, three projects of rural improvement were undertaken. Those were as follows :—

- (i) Levelling and improvement of the road leading to Gausunda railway station from the village. The total earth work done on the road was of 2058 cubic feet.
- (ii) Construction of a children's park. The total earth work done was of 7,999 Cu. Ft. and stone work collection was 2,455 Cu. Ft.
- (iii) Digging the foundation of the Secondary School building. Total earth work done was of 2,490 Cu. Ft., stone collection, 3,300 Cu. Ft., concrete collection, 650 Cu.Ft. and sand collection, 1000 Cu. Ft.

Besides these three projects, the campers organized cultural programmes related to the rural life and also did some social

work in that area. These camps were very much appreciated by the villagers. A regular lecture programme was also organized for 15 days, according to the syllabus laid down by the Ministry of Education for such camps. The co-operation given by the villagers was encouraging.

11. Hostel :—The hostel building, excepting for the dining hall and the lounge, is complete. All the B Ed. and M.Ed. students were accommodated in the new hostel along with S.E.O. and Handicrafts Institute students. A cafeteria was organized and a variety of food was made available. During the Influenza epidemic a sick ward was opened in the hostel and student-volunteers looked after the sick. Some students worked in the District Hospital also as volunteers.

On every Saturday from the beginning of January, 1958, Community Dinners were held in which all the students residing in the hostel and invited guests participated. The dinners were followed by brief cultural programmes.

12. Discipline :—There was no case of indiscipline either in the college or the hostel during the session under review. The conduct of the students was very satisfactory.

13. Department of Post-graduate Studies and Research :—The scheme No. 2 (a) of the Government of India is being continued at this college. Research work on the following projects has been done under the guidance of Prof. P. S. Naidu.

Research Project

Project in-charge.

- | | |
|--|----------------------|
| 1. Indiscipline among students in Rajasthan,
Phase II. Case studies in Udaipur. | Prof. S.N. Tripathi. |
| 2. Incompatibility of the present education-
al system with the requirements of a
Democratic Social order, Phase II.
Educational & Democratic attitude. | Dr. Indu Dave. |

Two Research Assistants who had been appointed, assisted in the Projects. The reports of the two projects are expected to be ready by the end of June, 1958.

The revised M. Ed. syllabus was approved by the University and was enforced from July, 1957. In the revised syllabus Sessional work is compulsory under each paper and there is greater scope for Specialization.

Four optionals were offered by the M. Ed. students this year :—

1. Comparative Education,
2. Educational Sociology,
3. Educational and Vocational Guidance, and
4. Psychology of Childhood and Adolescence.

Dissertations were written by M. Ed. students on the following subjects, during the session under review :—

<i>Name</i>	<i>Topic</i>
1. Shri Kailash Chand.	Education of Bhil Children in Vidya Bhawan.
2. „ Bhagwat Prasad Bhatnagar.	Correlation between Socio-Economic Status and Scholastic Achievement.
3. „ Rohtas Kumar Sharma.	Guidance & needs of the student-teacher.

10. Shri Shyam Singh Chauhan.	A Study of Perceptual Maturation Process.
11. „ K. M. Vasisht.	Backwardness in Arithmetic.
12. „ Satnam Singh.	Causes of Truancy in High Schools.

14. Department of Extension Services :—During the year under review, the Department of Extension Services has been able to go out far a field into the rural areas of Udaipur

district, where both the need and the enthusiasm of the teachers have been much greater than in Udaipur proper. The arrival of a jeep in November, 1957 enabled us to make our programme of school visits for the purposes of guidance, demonstration lessons, library service, film shows, etc., more frequent and regular. Another special feature of the year has been the effective cooperation of the Department of Education in our programmes by way of actual participation by its officers and by their payment of the T. A expenditure of the participating teachers.

Visits to Schools :—The librarian has regularly gone round to each school of our area at least once a month with books, teaching aids and suitable films needed by the teachers. Nearly half a dozen exhibitions of books, models, charts, and other teaching aids were organized at different schools. The Director, the Co-ordinator and other members of the Teachers' College staff have also been able to visit schools more regularly for discussing teachers' problems, demonstration lessons, review of the work of the Department of Extension Services, etc.

Courses and Seminars :—We organized the following courses and seminars :—

- (a) Two Re-orientation courses in Basic Education, each lasting for 3 weeks, for the D. I. S. and S. D. I. of Rajasthan in April, May, and June, 1958, attended in all by 100 Officers of the Education Department.
- (b) A ten-day Seminar on Education and Community Development in the latter half of June, 1957, attended by nearly 60 teachers.
- (c) A ten-day Refresher Course for the teachers of English in September, 1957, conducted by Dr. & Mrs. Brewington and attended by nearly 40 teachers.
- (d) A ten day Seminar on General Science in October, 1957, attended by 29 Science teachers from different parts of Rajasthan.
- (e) Two study-camps, for the teachers of two schools to plan or review their Session's programme in June, 1957, and January, 1958.

- (f) A week-end course in Audio-Visual Education beginning in February, 1958, had to be cancelled because of examinations in schools.
- (g) Two Headmasters' Conferences, 16 Headmasters of High and Higher Secondary Schools of Udaipur met at Raj Samand in February, 1958, and 55 Headmasters of Udaipur district met early in April, 1958, at Udai Niwas, to discuss their common tuition, co-curricular and other programmes.

Study circles :—Except in the case of the Basic Education Study Circle, other study circles of subject teachers could not effectively function in Udaipur. The School Staff-councils have been meeting occasionally to discuss their common problems with the help of the Department of Extension Services.

Publications :—

- (i) Bulletins every two months.
- (ii) Report of Basic Re-orientation Courses.
- (iii) Report on the Seminar on General Science.
- (iv) Report on the Seminar on Education & Community Development (in the press).

The Future :—The period of the Extension Department has been extended for another three years, though the funds available will be nearly half and the staff will have to be curtailed.

15. The Department of Audio-visual Education:—The Department of Audio-visual Education was established with the sanction of the Government of Rajasthan. The Government sanctioned Rs. 11,757/3/- for non-recurring and Rs. 9,000/- for recurring expenditure. Two courses of 2 months each were organized in pursuance of the Government of Rajasthan's orders for Audio-Visual Education for Instructors of S. T. C. Schools and S. E. Os. The Courses aimed at enriching the personal experience of teachers so as to enable them to realize and appreciate the educational potentialities of the Audio-Visual materials and the extent to which they may be used to supplement and to extend their work. The courses consisted of both theoretical and practical work. Care was taken to formulate assignments on the basis of the needs and interest of the participants.

The scope of the courses was planned keeping in view the present condition of our schools and the limitations under which

they have to work. While giving a general theoretical and practical background of a variety of modern aids like projectors, tape recorders, etc., specialization in one, or at the most two, productive skills was emphasized to ensure a reasonable proficiency. Non-projected, simple and cheap aids received special attention. Some of the aids emphasized during the course were the following :—

1. Black-board and Display-Boards.
2. Flannelograph.
3. Flash Cards.
4. Pictures.
5. Puppets.
6. Models.

The participants were also made familiar with the mechanism of the following equipment :—

- (a) 16 m. m. Sound Projector.
- (b) Photographic Camera and Enlarger.
- (c) 35 m. m. Still Film Strip Projector.
- (d) Magnetic Tape Recorder.
- (e) Epidiascope (only for the 2nd course).

The courses succeeded in diffusing among the participants useful and practical information about the use of Audio-Visual Aids and in giving them some practice in applying them.

16. General :—

(i) *Activities of the Staff* :—Shri P. L. Shrimali, Professor of Education, continued to work as the Officiating Principal of the College. He was also elected as the Convener of the Board of Studies in the Faculty of Education, University of Rajasthan. Shri K. N. Srivastava, Hony. Professor of Education, served as a member on the Central Executive Committee of the Planning Forum. Shri P. S. Naidu, Professor of Education, and the Head of the Department of Post-graduate Studies and Research, was elected as the President of the Udaipur Section of the New Education Fellowship. Shri B. D. Srivastava was elected as the Secretary of the Section.

(ii) *Participation in Seminars and Conferences* :—The

following members of the staff and the students attended Conferences and Seminars during this year.

1. Shri P. L. Shrimali Conference of the Principals of Training Colleges held at Bangalore in the month of May, 1957.
2. Shri P. L. Shrimali and Shri B. D. Srivastava. Conference of Directors and Co-ordinators of Extension Service held at Chandigarh in the month of March, 1958.
3. Shri K. N. Srivastava and Miss B. G. Sajnani. (B.Ed. student). Conference of Planning Forums held at Srinagar in the month of September, 1957.
4. Shri L. K. Oad. All India Basic Education Conference held in Bihar in the month of November and December, 1957.
5. Dr. (Mrs.) Dave and Shri S. N. Tripathi. Conference on the Promotion of Research in Training Institutions in May, 1958.

(iii) *Training in Psychological Tests* :—The college has a Psychological Laboratory which provides facilities for training in Psychological tests and experiments. New apparatus and equipment for tests were purchased for the laboratory. All the twelve M.Ed. students made use of the laboratory for completing their Sessional work. Three B.Ed. students offered Experimental Education and received training in Experimentation and Testing. The College conducted a mental testing of the children at a Baby Show organized by the City Corporation, and at the college from time to time.

(iv) *Teachers College Education Society* :—The following papers were read by the members of the staff under the auspices of the Education Society :—

1. Dr. (Mrs.) I. Dave —The Initial Interview.
2. Shri P. S. Naidu —The Historial Process as a struggle towards an ideal.
3. Shri P. L. Shrimali —Freedom, Education and Planning.
4. Shri S. N. Tripathi —Case Study of a Delinquent Child.
5. Shri L. K. Oad —Educational Philosophy of Ravindra Nath Tagore.

(v) *Educational Writing* :—A special number of *Janshikshan* on Education and Community Development was published to which almost all the members of the staff contributed.

The following articles of Shri L. K. Oad were published in *Shiksha* :—

1. Educational Philosophy of Ravindra Nath Tagore.
2. Reading Interests of School Children in Rajasthan.

(vi) *Donation of Fans* :—The college hall had been without any fan throughout these years. The students and the members of the staff of the Teachers College donated 3 fans. The college still needs 3 more fans and it is hoped that it will be possible to raise funds for 3 more fans and thus equip the hall with fans adequately. This gesture of goodwill on the part of the students and the members of the staff, for the institution to which they belong, was highly appreciated by the management.

P. L. Shrimali,
Offg. Principal.

43. S. D. Government College, BEAWAR.

1. Brief History of the Institution:—The Sanatan Dharma Sabha, Beawar started a Sanskrit Pathshala in 1904, which was raised to Inter College in 1929. The Sabha handed over this Institution to the earstwhile Ajmer Government in 1955. The Government raised it to Degree status the very year, providing Instructions in Arts and Commerce subjects. In July 1956, B.Sc. Pt. I in Chemistry, Physics and Mathematics classes together with Post-Graduate classes in Hindi, English, Sociology, Economics and Commerce were added to this College. In July 1957, the Government started Biology in Inter. and B.Sc. Classes.

It is now a full-fledged College with three Faculties Arts, Science and Commerce. It has spacious grounds, a well-equipped Library and Laboratories.

The tremendous progress made by the Institution within the last three years points to the bright future ahead.

6. Finances :—The total expenditure amounted to Rs 71086 18 nP. during the year under review. A sum of Rs. 35430 00 nP. was received from the State Government as grant in-aid.

7. Building :—The old College building has been reconstructed to accommodate Degree classes (the Institution having been raised to Degree Standard from July, 1957). The former hall was dismantled and in its place a new spacious hall and an auditorium have been built. The Library section also has been reconstructed with a view to accommodating the increasing

number of books and attached to the same there is a Reading-room. The number of rooms for holding classes has been increased and provision has been made for a lawn in the courtyard of the building. The entire administrative block of the building including a Staff-room and a room for N. C. C. office has been newly constructed.

8. Library and Reading-room :—We have a very good Library consisting of more than four thousand books and we have now enough space to decorate it with maps, charts etc. During the year about 2000 books were issued to the students only at an average of 14 books per head.

The Reading-room attached to the Library is spacious enough to seat 50 students at a time. For the present we subscribe to three Dailies, three Weeklies and ten Monthlies.

9. Games, Sports and Medical Examination of Students :—There is an arrangement for playing Football, Volley-ball and Hockey. Since the old playground was not big enough, we have acquired this year another near the Town Hall, Bikaner. Our students this year took part in the Zonal Tournaments and Colours were awarded to three of them. In the University and local sports also our students took an active part and won many prizes. Every year the College runs a Championship Trophy in Volley-ball in which teams from all over the Division of Bikaner take part.

In the winter season elaborate arrangements were made for sports. On the 1st of January the College organised a festival of sports which was highly successful; sports teams from local colleges took part in it and prizes were awarded to successful competitors.

*Medical Examination :—*Arrangements have been made with a local Medical practitioner for the medical examination of students. The average health of the students has been found very satisfactory.

10. Scholarships, Stipends and Concessions in Fees :—Freeships and half-freeships in tuition fees are awarded to meritorious and deserving students. Some Sheduled Caste students have been receiving scholarships from the Central Government.

11. Extra-curricular and Social Activities :—(a) There is no College Union, but there are separate Associations for

all the three Faculties. Each Association is managed by the students with the Principal as Patron and a member of the Staff as President. The three Associations combine together to celebrate the Annual Function of the College, the celebrations on the 15th of August and 26th of January. The Commerce Association has a separate Library of its own which gives great help to the students of Commerce. The three Associations jointly run a society for the help of the poor students, who are helped with books and Examination fees whenever necessary.

(b) Lecturers from the sister Colleges are often invited by the different Associations and during the year under review there had been six Extension Lectures on various modern topics.

(c) The College staged two dramas—one on the 15th of August, and another on the closing day of the College in May. It also organised three Kavi Sammelans and one Music festival for the local talents.

(d) N. C. C. was started in July and fifty-two students were enrolled. We desire to extend the enrolment and have two platoons in our College.

12. Hostels :—For the present there is no Hostel attached to the College.

13. Discipline:—The students are generally well-disciplined. There was no strike during the year.

14. General:—The opening of B.Com. classes in July 1957, has raised the standard of the College. Plans for Youth Development have been submitted to the University and are under consideration. A Lecturer of the College has been trained in Youth Leadership under the Central Government Scheme this year.

In general the College is making all-round progress in every direction and we hope to make it a full-fledged Degree College in all the three Faculties with the introduction of a 3 year-degree course. We have made all preliminary arrangements by appointing a Staff with requisite qualifications.

J. C. Ghose,
Offg. Principal.

45. Shree Swaroop Govind Pareek College, JAIPUR.

1. Control and Management :—The Institution is controlled and managed by a duly Registered Committee consisting of 11 members including one Govt. nominee and the Principal.

6. Finances :—The sources of income are the interest from the Endowment, Govt. aid and tuition fees. The total expenditure was about Rs. 87,000.00.

7. Building :—The College is situated in the Bani Park area, a healthy locality outside the city. Two spacious rooms were constructed together with a basement and four rooms on the upper storey were converted into two spacious halls.

8. Library and Reading-room :—The Library is well-equipped and housed in the Central Hall. 703 books, costing Rs 3030 00, were purchased during the year. The total number of books was 8540. The number of books issued during the session was 3041. Students are given the benefit of a number of daily, weekly, monthly (Hindi and English) papers and magazines in the Reading-room. Besides this there is a Poor Boys' Library from which books are issued to poor students.

9. Games, Sports and Medical Examination of Students :—There are spacious playgrounds for Foot ball, Volley-ball, Hockey, Tennis, Badminton and other outdoor and indoor games. The games are supervised by the Games Secretary along with some other members of the Staff.

Our teams took an active part in almost all the Tournaments held during the session.

A duly qualified doctor examines the health of the students every year and the result is communicated to the guardians.

10. Scholarships, Stipends, Medals and Concessions in Fees :—Prizes are awarded to deserving students to encourage general proficiency, regularity, good work and good behaviour. Besides this there are running cups, gold and silver medals. Five students of different classes were awarded Merit-cum-need scholarships amounting to Rs. 1000/- by the Govt. of Rajasthan and two students were granted R. S. S. P. W. R. Fund Scholarships amounting to Rs. 200/- Concession in fees is given to the extent of 20% free ships and half-freeships.

11. Extra-curricular and Social Activities:—The following Societies and Associations functioned, each under the Presidentship of one of the members of the Staff :—

(1) Debating Society, (2) English Associations, (3) Hindi Society, (4) Moral Association, (5) Fine Arts Society, (6) Histori-

cal and Political Association, (7) College Magazine Editorial Board, (8) Sanskrit Association, (9) Red-Cross Society, (10) Commerce Association, (11) Boy Scouts' Association, (12) Teachers' Club, (13) Gita Ramayan Samiti, (14) Science Association, (15) Students' Council.

12. Hostels :—The College is in need of a Hostel for Students, Teachers' Quarters, and some other things for which efforts are being made. We hope they will be provided as early as possible.

13. Discipline :—The general atmosphere of the College is good. In order to maintain good discipline a Students' Council has been started, which is working successfully.

14. General :—On the whole the College is making good progress, which is indicated by the increasing number of admissions and the growing interest of students in curricular and extra-curricular activities.

Gopal Lal Purohit,
Principal.
